Prevents rodent entry, nesting & foraging
• Tested and proven to work. Easy application to keep rodents away
• Essential oils deliver a smell and taste that rats and mice naturally hate
• No stink formula that is long lasting and rain resistant

Directions For Use:
• Shake container well before using. Product is ready to use and does not need to be mixed or diluted.
• While the formula is non-staining on most surfaces, spray a small, inconspicuous area to determine effects prior to full-scale application. Do not use on light colored upholstery.
• Do not spray electrical wires and sockets directly. Not for use on car engine.
• Before use, test a small area of sensitive surfaces for staining before making a wide-scale application. Wipe away any excess product on surfaces.

Use Precautions
This product can be applied as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions.
