- n-Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chloride.................0.05%
- n-Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chloride..................0.05%
- Ethyl Alcohol.........................................................37.00%

**OTHER INGREDIENTS**

- Total......100.00%
- *CONTAINS SODIUM NITRITE*

**PRECAUTIONARY STATEMENTS**

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store upright in a cool dry place away from heat or open flame. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Do not puncture or incinerate. Exposure to temperatures above 130°F may cause bursting. Do not use on polished wood, painted surfaces, leather, rayon fabrics, acrylic plastics or furniture.

**FIRST AID:**

If in Eyes: Hold eye open and rinse slowly with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Keep out of reach of children. See back panel for additional Precautionary Statements and First Aid.

**EPA Reg. No. 67603-4-9114**

**EPA Est. No. 10900-OH-1 or 33915-MI-1**

**Keep Bottom of Container for Production Facility.**

**DIRECTIONS FOR USE**

**To Clean:** Prior to disinfection, thoroughly pre-clean all surfaces to be treated by removing all gross filth and heavy soil. After disinfection, a potable water rinse is required. Do not use to disinfect appliances, refrigerator interiors and microwave ovens. Do not use on dishes, glasses or utensils.

**To Disinfect:** Hold can upright and spray from a distance of 6 to 8 inches until area for treatment is thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.

**To Sanitize:** Spray surface until entire area is thoroughly wet. Allow to remain wet for 5 minutes before wiping.

**For Use on:** Walls, floors, bedframes, bedpans, urinals, fixtures, containers, toilet seats, diaper pails, telephones, trash cans, and sickrooms. Due to the possibility of electric shock when used on telephones, avoid excess spraying of telephone.

**Precautions**

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

**FIRST AID:**

If in Eyes: Hold eye open and rinse slowly with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

**WARNING:** Causes substantial, but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear. Thoroughly wash hands after using and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

**Physical or Chemical Hazards**

Contents under pressure. Do not use or store near heat or open flame.
