How to apply:

1. Refer to package insert for directions on how to open package.
2. How to open:
   - Remove product applicator from the package. Separate one applicator from the others. Hold the applicator with notched end pointing up and away from the face and body. Snap the applicator tip across the marked line to allow access to the dotted tip. Invert applicators over dog and use open end to part dog’s hair. Squeeze applicator firmly to apply all of the solution to a single spot on the dog’s skin, as directed.
3. How to apply: Do not remove applicator from the pack until ready to use. Do not apply to a cat or ingested by a cat. Do not give anything by mouth to an unconscious person.

FIRST AID

1. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
2. If swallowed: Call a poison control center or a doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
3. If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
