Precautions

First Aid:

Spray Disinfectant:
For use only on hard, non-porous environmental surfaces. This product is not to be used as a terminal sterilant/high level disinfectant. Prevents mold and mildew on environmental surfaces in your home and in public places. Disinfects and deodorizes surfaces. Kills 99.9% of Staphylococcus aureus (Staph), Pseudomonas aeruginosa, and Enterobacter aerogenes on hard, non-porous environmental surfaces. Sprayed on Surfaces: Deodorizes by disinfecting. Germicidal activity kills most odor-producing organisms. Controls unpleasant odors. Pleasantly scented. For use in hospital rooms, sick rooms, doctors' examining rooms, kitchens, nursery and bathrooms. **Sanitizes:** Kills 99.9% of Trichophyton mentagrophytes (Athlete's Foot fungus) on pre-cleaned, hard, non-porous environmental surfaces in areas such as bathrooms, locker rooms, floors, benches, shower stalls or other non-porous environmental surfaces commonly contacted by bare feet: Spray surface until thoroughly moistened. Allow surfaces to remain wet for 10 minutes. Note: Disinfected food contact surfaces must be rinsed with potable water after cleaning and/or disinfection and before reuse.

**Kills:** 99.9% of germs

**Eliminates:** Odors

DIRECTIONS FOR USE

**Preparation:**

Shake Well Before Using

To Clean:

Prior to disinfection, thoroughly pre-clean all surfaces to be treated by removing all gross filth and heavy soil.

Hold can upright and spray from a distance of 6 to 8 inches until area for treatment is thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.

**To Disinfect:**

Spray surface until thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.

**To Sanitize:**

Spray surface until thoroughly moistened. Allow surfaces to remain wet for 5 minutes before wiping.

**To Sanitize Exposed Areas:**

Spray exposed areas. Allow to air dry. Repeat application in 7 days.

**Spray Surfaces:**

Shake well before using. Spray surface until entire area is thoroughly wet. Spray surface until thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.

**Spray on Surfaces:**

contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to high pressure may cause bursting. Do not use on polished wood, painted surfaces, leather, rayon fabrics, acrylic plastics or furniture.

Hazards to Humans & Domestic Animals

**Stability:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Precautionary Statements:**

**Shake Well Before Using**

**Disposal:**

Non-refillable container; do not reuse or refill this container. Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available, or call your local solid waste agency for disposal instructions. If partly filled: Call your local solid waste agency for disposal instructions.

**Physical or Chemical Hazards:**

**Hazardous Ingredients:**

**Toxicological Information:**

**Pesticide Storage:**

Do not contaminate water, food or feed by storage or disposal. To Clean: Prepare pre-clean areas by removing all gross filth and heavy soil. To Disinfect: Hold can upright and spray from a distance of 6 to 8 inches until area for treatment is thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping. If Swallowed: Immediately call a poison control center or doctor for treatment advice. Have person sip glass of water if able to swallow. Do not induce vomiting. Monitor patient. Have the product container or label with you when calling a poison control center or doctor or going for treatment. If Inhaled: Get fresh air. Call a poison control center or doctor for treatment advice. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.
