BioBan™ BZ Antimicrobial

CONTAINER DISPOSAL
Nonrefillable container. Do not reuse or refill this container. Triple rinse or pressure rinsate is a violation of Federal law. If these wastes cannot be disposed of by use with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL
PESTICIDE STORAGE
Do not contaminate water, food or feed by storage or disposal. Mix thoroughly before use. Do not allow to freeze.

PESTICIDE DISPOSAL
Pesticide wastes may be hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to the label directions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is an effective in-container preservative in most aqueous compositions. The concentration required to give protection depends on several factors. These include the susceptibility of the system to bacterial and fungal degradation, the extent to which bacteria and fungi can gain access, the species involved, pH, temperature, and length of time for which protection is required

Typical applications, and the suggested range of concentrations on which trials can be based are:

PAINT AND COATINGS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi in coating applications such as paints, coatings, roof coatings, and stains, add 0.01% to 0.125% of this product (based on total weight of the formulation).

LATEX EMULSIONS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi, add 0.01% to 0.125% of this product (based on total weight of the formulation).

PROCESS WASH SOLUTIONS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi, add 0.01% to 0.4% of this product (based on total weight of the formulation).

ADHESIVES AND TACKIFIERS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi, add 0.01% to 0.4% of this product (based on total weight of the formulation).

BUILDING MATERIALS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi, add 0.01% to 0.4% of this product (based on total weight of the formulation).

INKS AND FOUNTAIN SOLUTIONS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi, add 0.01% to 0.4% of this product (based on total weight of the formulation).

LIQUID HOUSEHOLD, INDUSTRIAL, JANITORIAL PRODUCTS
Not registered for this use in the State of California - Optional
For the control of bacteria and fungi, add 0.01% to 0.4% of this product (based on total weight of the formulation).

FIRST AID

 If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

 If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

 If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

 If swallowed: Have the product container or label with you when calling a poison control center or doctor. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless told to do so by a poison control advice. Call a poison control center or doctor for treatment advice.

Note to physician:
Probable mucosal damage may contaminate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be necessary.

Note:

This product weighs 9.18 lbs per gallon.
