The product enters weeds through leaves, roots and shoots and moves to the growing points of target weeds. This product works by stopping plant pigment production, causing treated weeds to turn white and stop growing. Affected weeds turn brown and are controlled.

DO NOT apply Roundup for Lawns Crabgrass Destroyer® or lawn injury may result.

DO NOT apply an OP (such as malathion) or carbarnate insecticide (such as carbaryl) within 1 week of applying Roundup for Lawns Crabgrass Destroyer® or lawn injury may result.

DO NOT mow 2 days before to 2 days after applying.

DO NOT irrigate or apply if rains are expected within 24 hours of applying.

DO NOT apply for 28 days after seeding of tolerant turfgrasses.

DO NOT use clippings as mulch around flowers, ornamentals, trees or in vegetable gardens.

DO NOT apply to drought stressed lawns and/or drought stressed weeds, exposed feeder roots of trees or ornamentals, or within the dripline of trees and other ornamental plants, or to areas where runoff into those areas is likely to occur.

DO NOT apply more than 12.8 fl oz per 1000 sq ft per year.

DO NOT apply more than 6.4 fl oz per 1000 sq ft per application.

DO NOT apply more than 2X/year.

DO NOT apply this product to actively-growing weeds during the early growth stages for best results.

DO NOT apply when daytime temperatures are between 45° F and 90° F.

DO NOT apply this product before or after seeding of tolerant turfgrasses, including day of seeding.

DO NOT apply this product before and/or after seeding of tolerant turfgrasses.

DO NOT apply this product to actively-growing weeds (excluding Floratam), seashore paspalum or zoysiagrass.

DO NOT apply to Bahiagrass, bermudagrass, buffalograss, carpetgrass, crested wheatgrass, perennial ryegrass, clover (desirable), creeping bentgrass, St. Augustinegrass (including Florsheim), southern puttygrass or ryegrass.

This product is toxic to plants. Drift and run-off may be hazardous to plants in water adjacent to treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow pesticide off the treatment area. Rinsing application equipment over the treated area will help to avoid run off to water bodies or drainage systems.

This product is a contact weed killer. Do not allow contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Keep away from children.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To the extent consistent with applicable law, the buyer assumes all risks of use, storage or handling of this product not in accordance with label directions. If for any reason you are not satisfied after using this product, simply send us original proof of purchase and we will refund the purchase price.

First Aid:

EYES: If in eyes, rinse with water for 15 minutes. Call 1-866-572-0035 for emergency medical treatment information.

SKIN: Remove contaminated clothing. Wash with soap and water. If on skin, wash with soap and water.

INHALATION: Fresh air. IV: Call a poison control center or doctor for treatment advice.

INGESTION: DO NOT induce vomiting. DO NOT give anything by mouth to an unconscious person. DO NOT give anything by mouth to an unconscious person. Call a poison control center or doctor for treatment advice.

CAUTION: Causes respiratory irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Keep away from children.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes respiratory irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Keep away from children.

ENVIRONMENTAL HAZARDS

This product is toxic to plants. Do not apply to plants, trees or ornamentals. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Keep away from children.

This product is toxic to bees. Do not allow contact with bees. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Keep away from children.

REGULATORY SIZES

This product is toxic to plants. Do not apply to plants, trees or ornamentals. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.
