**Kills Ants* – Without The Mess**

Do Not Allow Children or Pets to Play with the Bait Stations

**CAUTION**

- Actual Size
- Net Wt. 1.92 oz
- Bait Stations

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Bait stations are packaged two to a pouch. Use at least two at a time.
2. Open pouch. Bait stations are ready to use. Bait stays contained within the bait station.
3. Place bait stations clear side up, in locations where you see ants*.
4. For best results, place all 6 stations at once, throughout areas with ant activity and anywhere ants may enter the home.
5. Leave bait station in place. Ants will find it and make pheromone trails for other ants to follow.
6. While ants are active in and around the home, replace bait stations every two weeks. Once ant activity stops, replace bait stations every 3 months to prevent new infestations.

*Excluding carpenter, harvester, fire and Pharaoh ants.
