Natural Care Flea & Tick Shampoo was created to safely and effectively kill harmful fleas, flea larvae, flea eggs and ticks, when used as directed. Our unique blend of botanical oils is sourced from a variety of plants that, when combined, create a strong yet gentle defense for your dog.

- **Kills Fleas, Flea Larvae, Flea Eggs, & Ticks by Contact**
- **Cleans & Deodorizes Dog’s Coat**
- **Lathers Quickly & Rinses Easily**
- **Made with Gentle Botanical Oils**
- **Light, Soothing Scent**

For ongoing flea and tick protection, try Natural Care Flea & Tick Drops or the Natural Care Flea & Tick Repellent Collar.

**DIRECTIONS FOR USE:** READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

For Use Only on Dogs & Puppies Over 12 Weeks Old:

- Wet entire coat with warm water. Shake product well before use. Apply shampoo and lather. Avoid contact with eyes, mouth, nose and genitals. Massage thoroughly into dog’s coat. Be sure to treat hard-to-reach areas such as between toes. For best results, let stand or continue to massage for 5-10 minutes. Rinse thoroughly to remove dead fleas and ticks and dry dog with towel. Repeat as necessary.

In order to help reduce the occurrence of fleas and ticks, this product is best used year round and can be used as frequently as needed.

**PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**

**HUMANS:** Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.

**DOMESTIC ANIMALS:** Sensitivity may occur after use of any product for pets. Monitor your pet for signs of sensitivity during and after application.

If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs of sensitivity continue consult a veterinarian immediately. Consult a veterinarian before using this product on debilitated, medicated, pregnant or nursing animals. For external use only. Not for aquatic use. Do not use on or near puppies younger than 12 weeks old. Not recommended for use on cats or kittens.

**FIRST AID**

- **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists contact a physician.
- **IF ON SKIN:** Wash with soap and water and repeat if necessary.
- **INHALATION:** Remove to fresh air.
- **INGESTION:** Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, consult a physician.

**STORAGE:** Store only in original container in a cool, dry area.

**DISPOSAL:** In accordance with all Federal, State and Local regulations.
