Homebright® Original Moth Balls kill clothes moths, carpet beetles and their eggs & larvae in clean, airtight containers such as chests, trunks and garment bags. Homebright Original Moth Balls prevent moth infestation regardless of fabric type.

Pre-Application Directions: Before storing: Dry clean, wash or brush articles to be protected. Application Directions: The moth balls in this container treat up to 12 cu. ft. (4 cu. container). One ounce of mothballs (6 mothballs) treats up to 3 cubic feet of storage space. Quantity of the amount of product required for proper treatment are: 4 oz. (24 mothballs) (Average Garment Bag) 1.0 cu. ft. 5. Calculate the volume to be treated by multiplying the height by the width then by the depth of the space. To ensure protection of your clothes use the specified amount of Homebright® Original Moth Balls. Distribute mothballs evenly around and between the folds of Interior articles. Keep product in airtight space for a minimum of 7 days. If moth balls dissipate add additional moth balls in the container. Odor quickly vanishes when articles are aired. Retreatment: Since moths are active all year, replace moth balls in airy tight closets, containers and bags 2 times a year.
