DIRECTIONS: Follow warning guidelines before removing lid & lighting wick. For best performance,
place the candle for a minimum of three hours at a time and before lighting, trim wick to 1/4 inch
each time before burning. Stop use when only 1/4 inch of wax remains. Snuff out candle flame, never
extinguish candles with water. Allow cooling before handling or moving. STORAGE: Store product
in a cool dry place, out of reach of children. Dispose of unused candle or empty container into
the trash according to local regulations.

WARNING: Never leave a burning candle unattended. Always burn within sight.
Place candle no closer than 12 inches to flammable materials. Keep children and pets away from the burning candle.

For outdoor use only!
