Covers up to 10,600 sq. ft.

ACTIVE INGREDIENTS:
- 2,4-D, 2-ethylhexyl ester: 4.01%
- Mecoprop-p acid: 0.49%
- Dicamba acid: 0.27%
- Ca fentrazone-ethyl: 0.16%
- OTHER INGREDIENTS: 95.07%

TOTAL 100.00%

See attached booklet for complete Precautionary Statements and Directions for Use, including First Aid and Storage and Disposal.

KEEP OUT OF REACH OF CHILDREN
CAUTION

NET CONTENTS:
ONE QUART (32 FL. OZ.)
6. Use Precautions

- Covering dust or debris up to 24 hours after the application of this product.
- Do not apply in rain or immediately before heavy rain. Where rain is expected within 2 hours after treatment, cover the treated area.
- Do not use where treated area will be contacted by irrigation or other unintentional application. If irrigation is anticipated within 2 hours after application, cover the treated area.
- Do not apply where treated area will be contacted by animals or pets. Keep from freezing.

7. Storage

- Place in trash or offer for recycling if available.
- Never place unused product down any indoor or outdoor drain or sewer. Place in trash or offer for recycling if available.
- Do not incinerate. In the event of a spill or leak, contaminate waterway or groundwater.

8. Dosage Rate, Stated Precautionary Statements, Use Directions, and Directions for Use

A. broadleaf weeds

- Precautionary Statements: Read and follow all precautionary statements on the container.
- Use Precautionary Statements: Read and follow all precautionary statements on the container.
- Directions for Use: Read and follow all directions for use on the container.
- Directions for Storage: Read and follow all directions for storage on the container.
- Directions for Disposal: Read and follow all directions for disposal on the container.

B. Insecticide

- Precautionary Statements: Read and follow all precautionary statements on the container.
- Use Precautionary Statements: Read and follow all precautionary statements on the container.
- Directions for Use: Read and follow all directions for use on the container.
- Directions for Storage: Read and follow all directions for storage on the container.
- Directions for Disposal: Read and follow all directions for disposal on the container.

C. Fungicide

- Precautionary Statements: Read and follow all precautionary statements on the container.
- Use Precautionary Statements: Read and follow all precautionary statements on the container.
- Directions for Use: Read and follow all directions for use on the container.
- Directions for Storage: Read and follow all directions for storage on the container.
- Directions for Disposal: Read and follow all directions for disposal on the container.

D. Nutrient

- Precautionary Statements: Read and follow all precautionary statements on the container.
- Use Precautionary Statements: Read and follow all precautionary statements on the container.
- Directions for Use: Read and follow all directions for use on the container.
- Directions for Storage: Read and follow all directions for storage on the container.
- Directions for Disposal: Read and follow all directions for disposal on the container.

GENERAL PRECAUTIONS

- Do not ingest. Wash hands thoroughly after using this product.
- Do not apply this product to apple, cherry, prune, peach, plum, pomegranate, or related fruit trees or to a home lawn or garden area used for flowers or vegetables unless directed by a pest control professional.
- Do not allow children into treated area until the product is dry. 
- Do not use this product on trees, shrubs, or other plants unless directed by a pest control professional.

LIMITED WARRANTY AND DISCLAIMER

FOR USE ON LIVESTOCK AND ANIMALS: This product is intended for livestock and animal use only. If livestock or animal products are off-label uses of this product.

FOR USE ON HOME LAWNS: This product is intended for use on home lawns only. If the product is applied for a different purpose, contact your local pest control professional.

FOR USE ON COMMERCIAL LAWNS: This product is intended for use on commercial lawns only. If the product is applied for a different purpose, contact your local pest control professional.

PACKAGING...

- Do not use packaging material in or around food or water supplies.
- Do not use in or around food processing or storage areas.
- Do not use in or around food or water supplies or on food crops. 
- Do not use in or around food or water supplies or on food crops. 
- Do not use in or around food or water supplies or on food crops.

STORAGE AND DISPOSAL

Do not use in or around food or water supplies or on food crops. 

PETS

DIRECTIONS FOR USE

READ THE ENTIRE LABEL FIRST.

CAUTION

1. Product Description

Trimec Speed Lawn Weed Killer Concentrate is a selective herbicide that positively-targets emerging annual and perennial broadleaf weeds in established, non-irrigated lawns. This product contains carfentrazone-ethyl, 2,4-D, 2-ethylhexyl ester, and other active ingredients.

2. Use Restrictions

• For residential use only
• Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not allow pets to enter the treated area until it is safe for them to re-enter. 
• Do not apply a rinse to lawns containing ornamental plants (flowers, trees, shrubs, hedges, woody ornamentals, groundcovers). 
• Do not apply to lawns containing Kentucky bluegrass, Bahiagrass, Common Bermudagrass, Fine Fescues, Tall Fescue, Perennial Ryegrass, and Zoysiagrass. 

3. How Much To Apply

For Established Lawns:
• 12 Volt & Tow-Behind Sprayers: Mix 3 fl.oz. in 0.5 to 1 gallon of water to treat 1000 sq.ft. 
• Pump Style Sprayer: Mix 3 fl.oz. in 0.5 to 1 gallon of water to treat 1000 sq.ft. 
• Hose-End Sprayer: Apply 3 fl.oz. per 1000 sq.ft. 

For Newly Sodded, Sprigged or Plugging Operations:
• 12 Volt & Tow-Behind Sprayers: Mix 6 fl.oz. in 0.5 to 1 gallon of water to treat 1000 sq.ft. 
• Pump Style Sprayer: Mix 6 fl.oz. in 0.5 to 1 gallon of water to treat 1000 sq.ft. 
• Hose-End Sprayer: Apply 6 fl.oz. per 1000 sq.ft.

For Hybrid Bermudagrass, Buffalograss, Centipedegrass, St. Augustinegrass (do not use on Floratam). Spot Treatments: Mix 3 fl.oz. in 0.5 to 1 gallon of water to treat 1000 sq.ft.

4. When To Use

• For Established Lawns: Apply up to 4 weeks after the spring application. Avoid treatment in the spring, summer, or fall. Spring and fall treatments under adequate soil moisture conditions are recommended. Avoid treatment when soil temperatures exceed 85°F. 
• For Newly Sodded, Sprigged or Plugging Operations: Apply any time after the sodding process is complete. 
• Reseeding: Treated areas can be reseeded at 2 weeks after the application.

5. To treat individual weeds: spray to wet weed leaf surfaces. 

6. Physical and Chemical Hazards

This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. To wash contaminated clothing before reuse. 

7. Environmental Hazards

This product may drift from treated areas and may adversely affect non-target plants. Do not allow drift to enter any water, storm drains, gutters, sewers, or drainage ditches. Applying this product in calm weather when rain is not predicted for the next 24 hours is strongly recommended. Do not apply to lawns containing ornamental plants (flowers, trees, shrubs, hedges, woody ornamentals, groundcovers). 

8. Special Hazards

• For Kentucky Bluegrass, Bahiagrass, Common Bermudagrass, Fine Fescues, Tall Fescue, Perennial Ryegrass, and Zoysiagrass, the maximum rate is 6 fl.oz. of product per 1000 sq.ft per application and the maximum number of broad-leaf applications is 2 per year with a minimum of 30 days between applications. The maximum seasonal rate is 12 fl.oz. of product per 1000 sq.ft.

9. Storage

• Store in a cool, dry location. 
• Keep out of reach of children.

10. Disposal

Do not contaminate water, food, feed, or crop residue. Do not dispose of into surface or ground waters. Avoid blowing or washing into drains. 

11. First Aid Measures

If on skin:
• Wash skin immediately with plenty of water for 15-20 minutes.

If in eyes:
• Rinse with plenty of water for 15-20 minutes. Do not rub eye.

If swallowed:
• Do not induce vomiting. 
• Do not give anything by mouth to an unconscious person.

If inhaled:
• Remove to fresh air. If necessary, get medical attention.

12. Fire and Extinguishing Media

Flammable. Use water spray if small fire. Use dry chemical, carbon dioxide, or foam extinguisher. Use water spray in amounts necessary to cool equipment to prevent auto-ignition.

13. Protective Equipment

Use proper protective equipment when handling this product. Always wear a long-sleeved shirt, long pants, and chemical-resistant gloves. A respiratory protective device may also be necessary. 

14. Exposure Limits

This product is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. To wash contaminated clothing before reuse.

13. Storage and Disposal

STORAGE AND DISPOSAL

Do not contaminate water sources. Follow by dilution with water. For use only in locations where the area to be treated is in compliance for use. Do not enter treated area until label directions are followed. Pesticide disposal and container handling should be in compliance with Federal, State, and Local legislation.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Do not reuse or refill nonrefillable container. Do not disperse contents by incineration, soil blending, soil injection, land spreading, or other method of waste disposal. Do not mix with other pesticides. Do not mix or apply with other products. To dispose of this product, contact your local waste agency for disposal instructions. DO NOT DISPOSE OF THIS PRODUCT IN A SEWER OR STORM SEWER.
READ THE ENTIRE LABEL FIRST.
OBSERVE ALL PRECAUTIONS AND
FOLLOW DIRECTIONS CAREFULLY.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if absorbed through the skin.
Avoid contact with skin, eyes, or clothing. When
using this product, wear long-sleeved shirt and long
pants, socks, shoes, and gloves. Wash thoroughly
with soap and water after handling and before
eating, drinking, chewing gum, or using tobacco.
Remove and wash contaminated clothing before
reuse.

First Aid

If on skin:
• Take off contaminated clothing.
• Rinse skin immediately with plenty
  of water for 15 - 20 minutes.
• Call a poison control center or
doctor for treatment advice.

Have the product container or label with you
when calling a poison control center or doctor or
going for treatment. You may also contact 1-877-
800-5556 for emergency medical treatment
advice.
