Keep Out of Reach of Children

CAUTION

FIRST AID
If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. (Remove contact lenses, if present, after the first 5 minutes then continue rinsing the eye.) Call a poison control center or doctor for treatment advice. If on skin and/or on clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If swallowed: Immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Important: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Note to physician: Probable mucosal damage may contraindicate the use of gastric lavage.

PREPARATION FOR USE
1. c-series Water Bath Additive is ready-to-use.
2. Verify that the bottle has not leaked.
3. Remove the black cap by turning the cap counterclockwise until the cap stops.
4. Align the tabs on the cap with the grooves in the cartridge and pull the cap to remove it.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. The Alinity c-series Maintenance Solutions cartridge, containing the c-series Water Bath Additive, is placed in the analyzer loading area, then loaded into the analyzer. The c-series Water Bath Additive is automatically dispensed into the water bath during specific operations which control microbial contamination in the water bath. Do not use this product as a disinfectant.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION. Causes moderate eye and skin irritation. Harmful if swallowed or inhaled. Do not get in eyes, on skin or on clothing. Wear protective eyewear and chemically resistant gloves when handling this product. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

USER SAFETY RECOMMENDATIONS
User should: Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove clothing immediately if product gets inside, then wash thoroughly and put on clean clothing. Remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly.

ENVIRONMENTAL HAZARDS
This chemical is toxic to terrestrial and aquatic plants, fish and aquatic invertebrates.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Storage: Store at 15-30°C in original packaging.
Product Disposal: Pesticide wastes may be hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.
Container Handling: Non-refillable container. Do not reuse or refill this container.
Offer for recycling if available or discard in trash.
