When you wash your clothes in cold water, bacteria can survive. **Lysol® Laundry Sanitizer** is an additive that kills 99.9% of bacteria***. It contains 0% bleach so it's suitable to use with both whites and colors.

---

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Standard Machines:

Add 2 capfuls each filled to line 1 of the dosing cup to the fabric softener compartment or directly to your rinse cycle wash.

**To Sanitize:** Add to rinse cycle and leave product in rinse cycle for 16 minutes. Not intended to be mixed with laundry detergents in the main wash compartment. Use this product in the rinse cycle exclusively. Can be used on most washable fabrics. Not intended for use on silk or wool. Do not use on materials that cannot be washed in washing machines.

---

**SAFETY STATEMENTS:**

Below refer to direct contact with concentrated product only and not with fabrics that have been washed.

If you have unusually sensitive skin or a serious skin condition, please consult your doctor before using this product.

**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals

**DANGER:** Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear (goggles/safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

**FIRST AID:**

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. Prolonged or frequently repeated contact with skin may cause allergic reactions in some individuals.

**CONTACT NUMBER:**

Questions? 1-800-228-4722. Have the product container or label with you when calling a Poison Control Center, or doctor, or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

---

**STORAGE AND DISPOSAL:**

Store in areas inaccessible to children. Keep securely closed. Non-refillable container. Do not reuse or refill the container. Wrap and put in trash or offer for recycling if available.

Contains no phosphates.
