Woodstream Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

---

**Victor® Snake-A-Way® hose-end spray effectively repels snakes from areas around houses, cabins, trailers, garages, barns, woodpiles, trash cans, lower beds and more. When used as directed, this ready-to-spray formula emits an odor that drives snakes away from the treated areas without causing harm to people, pets, or plants.**

**DIRECTIONS FOR USE:**

For outdoor use only. Ensure sprayer knob is in OFF position, shake bottle. Attach garden hose tightly to sprayer head. Turn hose on to full pressure, adjust knob to ON by turning clockwise. Spray the general area you are experiencing snake activity, then coat a 6” wide band around area. For food crops, apply protective band around periphery of garden. Do not apply directly to food crops intended for consumption. Before making widespread applications, it is recommended to test a small area of each type of plant to be treated to make sure that this product will not damage the plant. Do not water in the area after application. Reapply after heavy rains for best results.

**STORAGE & DISPOSAL:**

Store only in original container in a dry place inaccessible to children and pets. Do not reuse or refill container. Place empty container in trash or offer for recycling if available. If Partly Filled: Store resulting from the use of this product may be disposed of at site or at an approved waste disposal facility. Never place reusable product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS:**

Avoid contact with eyes or product may cause eye irritation. Avoid prolonged contact with skin or clothing as irritation may occur for certain individuals. Wash contacted skin thoroughly with soap and water after handling this product. Remove contaminated clothing and wash before reuse.

Avoid contact lenses, if present, after first five minutes, then continue rinsing eye. If irritation persists, call a physician.

If irritation persists, call a physician.
