**CAUTION: KEEP OUT OF REACH OF CHILDREN**

**First Aid:** Avoid contact with eyes. If in eyes, immediately rinse with water for several minutes or until irritation subsides. May only be directed.

**Storage:** Store in a cool, dry, well-ventilated location. Do not allow product to freeze. Keep out of reach of children and pets.

**Handling:** Pesticides should be stored out of direct sunlight. Do not allow product to freeze. Once opened, product can be stored for up to 12 months. Keep all products away from children and pets.

**Dispense:** Pour a small amount of the product into a cup or container of approximately 3-4 cups.

**ACTIVE INGREDIENTS:**
- **Organic Rosemary Oil:** 0.01%
- **Other Insecticides:** 0.1%
- **Total:** 0.11%

**Other Ingredients:** Water, Citrus Extract, Alcohol, Sodium Bicarbonate

**Ingredients:** This product is a mixture of Volatile Pesticide & is exempt from EPA registration under the Federal Insecticide, Fungicide & Rodenticide Act (FIFRA).

**PLANT PROTECTANT**

Botanically-infused fungistatic & insecticidal spray for all types of plants.

For indoor & outdoor use on Flowers, Houseplants, Trees, Fruits, Vegetables and Shrubs.

- Non-Toxic to plants, humans & animals.
- Cures spider mites, aphids & other small chewing and sucking insects.
- Leaves no taste residue.
- Protects against Powdery Mildew, Rust, & Brown Spot.
- Promotes the photosynthetic process for a healthy, non-vegicidal plant.

**Plants live!!!**

Net Content: 24 oz

**Directions for Use:**

For best results, spray plants when dry. Do not spray if precipitation is expected within 24 hours. Lightly but thoroughly coat all surfaces of the plant, including the undersides of leaves. Reapply once per week after sprouts emerge.

**IMPORTANT:** Plants must be free of any type of oil, tar, powder, or other coating that would prohibit material adherence to foliage. If using Plant Protectant in conjunction with such a "coating" product, Plant Protectant will be ineffective.
