DO NOT USE ON CATS–MAY BE FATAL

INGREDIENTS:

OTHER INGREDIENTS 55.00%
Permethrin* [CAS# 52645-53-1] 45.00%
45% [+-] trans

* Cis/trans ratio: max 55% [+-] cis and min 45% [+-] trans

Hazardous to humans and aquatic organisms, including fish and invertebrates. To protect the environment, do not allow treated dogs to come into contact with ponds, lakes, streams or ditches, gutters or surface waters. Do not allow treated dogs to go swimming for 12 hours following treatment.

SAFETY DATA SHEET

CAUTION

Read all directions before using this product.

Hazards to Humans: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water for 15 - 20 minutes. If signs continue, consult a veterinarian immediately. Signs of sensitivity include skin sensitivity, increased itchiness, redness, rash, hair discoloration or hair loss at the application site and lethargy.

Hazards to Domestic Animals: For external use on dogs only. Do not use on cats or animals other than dogs. Do not treat (use on) dogs or medicated animals, pregnant or nursing pups. Consult a veterinarian before using on dogs with known organ dysfunction. Sensitivities can occur in puppies less than 12 weeks of age, weighing less than 66 lbs. Consult a veterinarian before using this product on debilitated, aged or infirm dogs. Contact with the eyes, mucous membranes or undamaged skin should be avoided. If accidental ingestion or contact with the skin or clothing occurs, wash with plenty of water. If skin irritation or rash occurs, discontinue use and consult a veterinarian. For external use only. Not for use on cattle or other animal species.

USE RESTRICTIONS

• Do not apply this product more than once a month.
• Do not apply this product more than once in a 14-day period.
• Do not allow a dog to lick or chew the treated area during application.
• If the dog's tail is wagging or if there is pinpoint bleeding at the site of application, discontinue use and consult a veterinarian.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:

This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow treated dogs to come into contact with ponds, lakes, streams or ditches, gutters or surface waters. Do not allow treated dogs to go swimming for 12 hours following treatment.

Keep out of reach of children and pets. Store in a cool, dry place out of direct sunlight. Do not use or store near heat or open flame.

KEEP OUT OF REACH OF CHILDREN

CAUTION

DO NOT USE ON CATS–MAY BE FATAL

Keep cats away from treated dogs for 24 hours. If applied to or ingested by cats or kittens weighing less than 66 lbs

ingested by a cat, contact your veterinarian immediately.
