**BROMO-CHLORO-DIMETHYLHYDANTOIN**

A MICROBIAL BACTERICIDE, FUNGICIDE, ALGECIDE AND SULFURICIDE, FOR TREATING INDUSTRIAL IRCULATING COOLING WATER ORNAMENTAL FOUNTAINS AND AIR CONDITIONER CONDENSATE.

Active Ingredients: bromochloro-5,5-dimethylhydantoin 98%

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**CORROSIVE AND STRONG OXIDIZER**

**FIRST AID**

- **If in eyes**: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- **If on skin or clothing**: Take off contaminated clothing. Rinse immediately with plenty of water for 15-30 minutes. Call a poison control center or doctor for treatment advice.
- **If inhaled**: Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
- **If swallowed**: Call poison control center, or doctor immediately for treatment advice.
- **Have the product container or label with you when calling a poison control center or doctor, or going for treatment.**

**INDUSTRIAL REIRCULATING COOLING WATER SYSTEMS**

Used effectively at dosages recommended to achieve exposures to one part per million (ppm) of active residual bromine to control algae, bacterial and fungal colonies in industrial cooling towers, influent water systems, e.g., flow-through fillers and lagoons, etc. heat exchange water systems, industrial water scrubbing systems, brewery and canning pasteurizers and industrial air-washing systems equipped with a heat exchanger.

**Dosage Rates**

**Inital dose**: When noticeably fouled, add 2.6 lbs/10,000 gallons of water contained in the system. Repeat initial dosage until one ppm of active residual bromine is established for at least 4 hours. 

**Subsequent dose**: When microbial control is evident, add 1.3 lbs/10,000 gallons of water contained in the system. Repeat as needed to maintain one ppm of active residual bromine for at least 4 hours.

**ORNAMENTAL FOUNTAINS**

**Dosage Rates**: See dosage rates for industrial recirculating cooling water systems.

**AIR CONDITIONER CONDENSATE**

Place tablet in condensate line dispenser. Check once every six months or as required. The life of the tablet will vary depending upon atmospheric conditions and indoor air temperature requirements.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PERMISSIBLE STORAGE**

Store in a dark, cool (below 60°F [20°C], dry, well-ventilated area, in well-closed original containers, away from energy sources, combustible organic materials, oxidizers, strong bases and moisture.

**PESTICIDE DISPOSAL**

Pesticide wastes are acutely hazardous, improper disposal of wastes pesticide, spray rinse, or mixture is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER HANDLING AND DISPOSAL: PLASTIC CONTAINER: Nonrefillable container. Do not use the container to hold materials other than pesticides or pesticides (mixtures). After emptying and cleaning, it may be allowed to reach dryland landfill disposal only.** 

**WASTE DISPOSAL**

- **Solid waste disposal**: May be disposed of by nonrefillable container to landfill or by incineration provided it is not a hazardous waste. When incineration is the disposal method of choice, it must be used in conformance with federal, state or international regulations. 

**WARRANTY**

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with label directions under normal conditions of use, but neither this warranty nor any other warranty, express or implied, including without limitation, the warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, applies to the product if it is not used in accordance with the label directions. In the event of any breach of this warranty, the sole remedy of the Purchaser will be replacement of the product. The Purchaser will be responsible for any labor costs incurred in the replacement of the product.

**DO NOT SMOKE, DRINK OR EAT WHEN HANDLING KEEP CONTAINER TIGHTLY CLOSED WHEN NOT IN USE DO NOT SHIP WITH FOODS, FEEDS, DRUGS OR CLOTHING.**

**Manufacturer**: Enviro Chemical Services, Inc.

**Net Contents**: 01 Pounds

**EPA Reg. No.**: 6305-4

**EPA En. No.**: 4459CH-GH-061 6336-CA-01

**IN CASE OF FIRE**: Do not use antifreeze. Salt or other road salt may cause reaction with the water. Use water stream to cool container. Do not use water unless the fire is small and controlled. Use carbon dioxide fire extinguisher or a dry chemical extinguisher with a rating of 40B.

**NOTICE TO PHYSICIAN**: Probable mucosal damage may contraindicate the use of gastric lavage.

**USE WITH ADEQUATE VENTILATION**: See side panels for additional precautionary statements.

**24 Hour Emergency Transportation Number**: 1-800-424-2000
