DIRECTIONS FOR USE:
It is违法 to sell this product in a manner inconsistent with its labelling. Do not use as a diaper wipe or for personal cleaning. This is not a baby wipe. Do not use with plastic and synthetic surfaces. Spill free on an application size below 1 inch. This product will not replace surfaces, surfaces, tiles and table surfaces. For use on stainless steel, make sure the contact area is thoroughly and evenly. Allow surface to remain wet for 5 minutes. Let air dry. If surfaces are extremely dirty, clean first with another wipe below disinfecting. Clinical studies show higher protection to better hard surfaces. Hard to clean resistant surfaces with solid wood or solid panel. For mold and mildew, BREEZE DISINFECTING WIPES will effectively inhibit the growth of mold and mildew and their odors caused by them where applied for 24 hours. Nonporous surfaces. Follow disinfectant instructions. Discontinue use if mold growth. CAUTION: Keep out of reach of children.
