Contains 12 Child-Resistant Bait Stations
Kills Large & Small Roaches
LASTS FOR UP TO 6 MONTHS
Money Back Guarantee
See back panel for details

Directions for Household Use:

1. Open pouch and break bait stations apart from each other.
2. Place bait stations where roaches have been seen or in out-of-the-way places near walls, in cabinets, under sinks and refrigerators and in closets. Recommended bait locations: Use at least 10 bait stations in the kitchen and two in each bathroom. Heavily infested areas may require additional bait stations. To apply to vertical surfaces, use the stick-up tape provided.
3. Replace baits every six months for continued control or sooner if infestation is heavy.

Storage and Disposal:

Storage:
Store in a cool, dry place.

Disposal:
If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Precautionary Statements:

Hazards to Humans and Domestic Animals

CAUTION.

Wash thoroughly with soap and water after handling bait stations.

Keep out of reach of children.

Do not place bait on surfaces where food is being prepared or on utensils that are used for food preparation. Do not store near or contaminate food. Do not remove bait from container.

NOTE TO PHYSICIAN: Atropine is antidotal and should be administered only if symptoms may appear. Chlorpyrifos is a cholinesterase inhibitor.
