DISINFECTANT SPRAY

Kills 99.9% of Bacteria & Germs† Eliminates Odor

Paradise Mist

Disinfectant Spray

Spray Disinfectant

Directions for Use:

1. Read all precautions and first aid statements before using. Thoroughly pre-clean all surfaces to be treated by removing all gross filth and heavy soil. Hold can upright and spray from a distance of 6 to 8 inches until area for treatment is thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.
2. For control of mold and mildew on hard, non-porous environmental surfaces, spray surfaces until thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.
3. For control of mold and mildew on hard, non-porous environmental surfaces, spray surfaces until thoroughly moistened. Allow surfaces to remain wet for 10 minutes before wiping.

Precautions:

Product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that is introduced directly into the human body either in or on contact with the bloodstream or normally sterile areas of the body or in contacts with mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

Storage and Disposal:

Do not contaminate water, food or feed by storage or disposal. Pesticide storage: Store upright in a cool, dry place away from heat or open flame. Pesticide disposal: Wastes resulting from the use of this product may be disposed of on site or in an approved waste disposal facility. Container disposal: Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. This container may be recycled in the few communities where recycled, can recycling is available before offering for recycling. Empty the can by using the product according to the label. If not punctured if recycling is not available, discard container in trash. If partly filled: Call your local Solid Waste Agency for disposal instructions.

First Aid:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor or go to treatment. For emergency medical information, call 1-800-222-1222.

Paradise Mist

PRECAUTIONARY STATEMENTS AND FIRST AID

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Warning: Causes substantial, but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear. Wash thoroughly with soap and water after handling. Keep out of reach of children.

Physical or Chemical Hazards

Waste from use is considered a household waste and does not require special handling. See Directions for Use.

Pesticide Storage

Do not contaminate water, food or feed by storage or disposal. Pesticide storage: Store upright in a cool, dry place away from heat or open flame. Pesticide disposal: Wastes resulting from the use of this product may be disposed of on site or in an approved waste disposal facility. Container disposal: Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. This container may be recycled in the few communities where recycled, can recycling is available before offering for recycling.
