Manufactured by Inventek Colloidal Cleaners, LLC.

Store only in original container in a dry place inaccessible to children and pets. Do not reuse empty containers. Offer for recycling if available or discard in trash.

Avoid contact with eyes, skin or clothing. Wear eye protection and gloves when handling. If eye flush with water for at least 15 minutes. If skin or eyes wash with plenty of soap and water. Get medical attention if irritation occurs. Do not apply this product undiluted.

No residue for infestations: For most applications, dilute 2 oz. TCC-IPM per 1 gallon of water. For occasional severe infestations diluting up to 4 oz. TCC-IPM per 1 gallon of water may be necessary. Apply using an atomizer, misting system, or other spraying apparatus. Thoroughly wet plants until foliage is dripping including the underside of the leaves. Preventative applications should be applied every other day up to 3 times per week until infestation is controlled. Apply TCC-IPM at the end of a light cycle or just before dusk to prevent foliar damage.

No rinse for preventative maintenance: Dilute 1/2-1 oz. TCC-IPM per 1 gallon of water. Apply using an atomizer, misting system or other spraying apparatus. Thoroughly wet plants until foliage is dripping including the underside of the leaves. Preventative applications should be applied 1-2 times per week and preferably scheduled routinely on the same days/times each week. Apply TCC-IPM at the end of a light cycle or just before dusk to prevent foliar damage.

Florida Disclaimer: This product is for use on Florida crops or medicinal cannabis by approved Florida dispensing organizations.
