PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING-AVISO: May be harmful if inhaled. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Do not breathe spray mist. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

Personal Protective Equipment (PPE):

- Hands: non-porous plastic or rubber gloves.
- Eyes: safety glasses or goggles.
- Protective clothing: coveralls.
- Respirators: type P100 for cases of dust generation.

EXPOSURE CONTROLS/Personal Protective Equipment

- Ventilation: local exhaust ventilation for spray application.
- Eye protection: protective eyewear, goggles, or splash shield.
- Respiratory protection: dust mask with N100 filter cartridge.
- Personal protective equipment should be selected and utilized according to the local exposure conditions.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do NOT discharge effluent containing this product to sewer systems without prior notification to the State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

- Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.
- PESTICIDE DISPOSAL: Store in a cool place. Protect from excessive heat.

Note: A waste generator must contact the nearest EPA Regional Office for guidance.

HANDLING

- Read the Material Safety Data Sheet (MSDS) before using.
- Do not inhale vapor or mist.
- Use in a well-ventilated area.
- Avoid contact with the skin or eyes.
- Use a mask when spraying or handling.
- Keep out of reach of children.
- Do not allow untrained persons to handle the product.

NOTES TO PHYSICIANS: Probable mucosal damage may contribute to the use of gastric lavage. Persons have a temporary allergic reaction to treat with antihistamines or steroid cream or systemic steroids.
