MILD MILD CONTROL
Pure Mildew Control

- Effective against Pediculosis farinae, the powdery mildew found on
  cucumbers, kales, melons, and
  squashes including pumpkins.
- Effective against Pseudopeziza neapolitana, the powdery mildew that
  affects both apples and pears.
- Effective against Pseudopeziza aurantiaca, the powdery mildew commonly
  found on roses, chrysanthemums, and
  other ornamentals.

FIRST AID
IF SWALLOWED - Call a Poison Center or doctor immediately or
  treatment advice. If the person is not breathing, call 911 or
  emergency services. If unconscious or vomiting. Call a Poison
  Center or doctor immediately. IF IN EYES - Hold eye open and
  rinse with cool water for 15 minutes. Remove contact lenses, if present.
  If contact with clothing, remove clothing.

STORAGE AND DISPOSAL
STORAGE: Store container in a cool, dry place.
DISPOSAL: Dispose of container and
  residue in a safe manner. Contact the nearest waste collection agency for
  disposal information. Do not dispose of container in the
  waste stream. The container should be sent to a recycling center for
  proper disposal. Do not burn.
