SPIDER MITE CONTROL

Pure Acaricide

- Effective against spider mites on food or non-food crops, including turf and ornamental plantings.
- Tested on Tetranychus urticae, which attacks beans, corn, peppers, potatoes, strawberries, tomatoes, and ornamentals such as roses.
- Effective as an insecticide, broadly recommended, and used in various fields, such as forestry, horticulture, lawn care, and organic farming.

Mite Rate: Mix the rate for Spider Mite Control concentrate is 1.25 fl oz (37.5 ml) per gallon of water that may be used as a foliar spray. SHAKE OR MIX THOROUGHLY!

Reverse Osmosatic water is recommended.

Avoid using during peak sunshine or intense lighting, as some plastics are sensitive to oil-based products. The buyer undertakes any responsibility for incorrect usage of this product.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth in an unconscious person. IF INHALED: Move person to fresh air. If not breathing, give artificial respiration. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if worn. Rinse eyes immediately with plenty of water for 15 to 20 minutes. IF ON SKIN: Remove contaminated clothing and rinse skin immediately with plenty of water for 15 to 20 minutes. If skin irritation develops, consult a physician.

HOTLINE NUMBER: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information call the National Poison Information Center at 1-800-222-1222.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Store in a cool, dry area under lock and key. Place in a pet bottle storage area. Always store pesticides in the original container. Store with food, pet food, and feed.

CONSUMER HANDLING: Harmful if swallowed. Do not reuse or refill this container. Triple rinse container or equivalent) promptly after emptying. Wash hands after handling and before eating, drinking, or smoking. Avoid breathing dust or fumes. Wash any clothing contaminated with pesticide washout water. Store in a cool, dry place, out of the reach of children.

DISPOSAL: Disposal of this container is prohibited. Place in a pet bottle container and dispose in accordance with local regulations.

ENVIRONMENTAL HAZARDS: For non-pet bottle use, do not apply directly to water, or to areas where surface water is present, or to areas from which run-off may enter surface waters or groundwaters. Do not contaminate water when disposing of equipment and/or waste. This product has not been registered by the United States Environmental Protection Agency.
