**Protect Your Landscape & Garden**

**ANIMAL REPELLENT**

- Essential oils deliver a small and that animals naturally hate
- No stink formula that is long lasting and rain resistant
- One easy step to protect your garden and landscape from rabbits, cats, groundhogs, squirrels & other small animals
- Protects plants, fruits & veggies

**Directions For Use:**

- Essential oils deliver a small and that animals naturally hate
- No stink formula that is long lasting and rain resistant
- One easy step to protect your garden and landscape from rabbits, cats, groundhogs, squirrels & other small animals
- Protects plants, fruits & veggies

**Post Harvest**

When applied to edibles, thoroughly wash crops prior to eating. Rub produce in hands under running water and pat dry. Produce with rinds, grooves, or waxy skins should be scrubbed with a brush under running water and dried prior to consumption. For leafy vegetables, remove outer layer, thoroughly rinse remainder, and pat dry.

**Use Precautions:**

- Do not apply directly to new transplants, newly rooted cuttings, or drought stressed plants.
- Do not make applications when day time temperatures exceed 90°F.
- Prior to full scale application to plants spray an inconspicuous area and wait 24 hours to observe for potential damage. Also test blooms for sensitivity.

This product can be applied as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions.

**CAUTION:**

- Always use good safety practices when using this product, such as avoiding contact with eyes and skin and keeping out of reach of children and pets. If eye or skin contact occurs, flush thoroughly with water. For medical information call 1-877-332-0755.

**STORAGE & DISPOSAL**

- Store in original container in a cool, dry area. Keep container tightly closed.
- When container is empty, place in trash or offer for recycling if available.

Protect Your Landscape & Garden
REPELLENT
ANIMAL

CAUTION:
Always use good safety practices when using this product, such as avoiding contact with eyes and skin and keeping out of reach of children and pets. If eye or skin contact occurs, flush thoroughly with water. For medical information call 1-877-332-0755.

• Essential oils deliver a smell and taste that animals naturally hate
• No stink formula that is long lasting and rain resistant
• One easy step to protect your garden and landscape from rabbits, cats, groundhogs, squirrels & other small animals
• Protects plants, fruits & veggies

Directions For Use:
• Shake container well before use. Product is ready to use and does not need to be mixed or diluted.
• Some plant leaves, stems, flowers, edibles, and branches that need protection, making sure plants are covered. For spraying on live growing plants, spot and around plant base as well.
• Allow 10 minutes for this product to dry before harvesting of any kind. Applying the mist is recommended to extend repellency of longevity.
• Repeat application every 30 days, at first sight of new damage, or new plant growth. More frequent applications may be required after periods of heavy rainfall and if new damage is noticed.

Using the Comfort Wand®:
Ensure sprayer is attached to the hook on side of bottle. Remove pull strip to activate batteries. Flip open wand until it clicks. Uncoil hose and insert hose connector into opening on cap until it clicks. Twist knob to ON.

To Spray:
Remove sprayer from the holder on side of bottle. Remove pull strip to activate batteries. Flip open wand until it clicks. Uncoil hose and insert hose connector into opening on cap until it clicks. Twist knob to ON. To Spray:
• Spray plant leaves, stems, flowers, edibles, and branches that need protection, making sure plants are covered. For spraying on live growing plants, spot and around plant base as well.
• Allow 10 minutes for this product to dry before harvesting of any kind. Applying the mist is recommended to extend repellency of longevity.
• Repeat application every 30 days, at first sight of new damage, or new plant growth. More frequent applications may be required after periods of heavy rainfall and if new damage is noticed.

Important Use Information:
Do not submerge in water. When storing, keep out of direct sunlight and extreme colds.

STORAGE & DISPOSAL
STORAGE:
Store in original container in a cool, dry area. Keep container tightly closed.

DISPOSAL:
When container is empty, place in trash or offer for recycling if available.
