Precautionary Statements

Hazards to Humans and Domestic Animals

**DANGER**
Corrosive. Causes irreversible eye damage. Causes skin irritation. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes, on skin or clothing. Wear goggles, face shield or safety glasses and rubber gloves when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Environmental Hazards Statement

Physical Hazards
Avoid breathing dust from powder.

Storage and Disposal
Do not contaminate water, food or feed by storage or disposal.

Storage
Keep in a cool, dry place. Keep container tightly closed.

Pesticide Disposal
Pesticide wastes are toxic. Improper disposal of excess pesticide is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency or the hazardous waste representative of the nearest EPA Regional Office for guidance.

Container Disposal
Nonrefillable container or Water Soluble Packet. Do not reuse or refill this container. Offer for recycling, if available or dispose of the empty outer plastic or foil pouch in the trash as long as the water soluble packet is unbroken.

Net Wt. 1.68 oz

First Aid
Have the product container or label with you when you call a poison control center, doctor or when going for treatment.

If In Eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If On Skin or Clothing:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

If Swallowed:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water, if able to swallow. Do not induce vomiting unless told by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled:
Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth to mouth. Call a poison control center or doctor for further treatment advice.

In case of accidental exposure, call CHEMTREC 1-800-424-9300

Note to Physician:
Probable mucosal damage may contra-indicate the use gastric lavage.

Medi-Solid Plus™
Fluid Solidifier Plus Treatment Technology

The Efficacy of this product has been demonstrated in the presence of 20% Blood Serum

Active Ingredient:
Sodium Dichloro-s-triazinetrione ........................................................... 10.2%
Other Ingredients ................................................................. 89.8%
Total ...................................................................................... 100.0%
(Available Chlorine 5.8%)

Keep Out of Reach of Children
