Net Contents 24 fl. oz. (1 pt 8 fl oz/709 ml)

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before using. Do not dilute. Spray weeds and grasses thoroughly when weather is dry and warm. If rain falls within three hours of application, an additional application may be required. Repeat treatment every 2 to 3 weeks for control of new growth. Avoid spraying desirable plants. For optimum results spray weeds before they reach 5 inches in size. For control of dandelions and other large rooted weeds, first injure plant by splitting top of root; then apply 0.7 oz. of Weed & Grass Killer onto damaged root.

CONTROLS
Annual bluegrass, chickweed, corn spurry, dandelion, groundsel, lamb’s quarters, large crabgrass, mustards, plantain, redroot pigweed, round leaved mallow, sheep’s sorrel, shepherd’s-purse, stinkweed, thistle, moss, algae and lichens.

USE SITES
Around Ornamental flowers, mature shrubs and trees; spot treatment in lawns bordering garden areas; bark mulch; around planters, containers, raised beds and other structures holding flowers, trees, shrubs and vegetables; and in planting beds prior to planting grass, flowers or vegetables. For use around driveways, patios, along fences and foundations, sidewalks and any crack where weeds might grow.

FIRST AID
IF IN EYES - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
IF SWALLOWED - Do not induce vomiting. Drink water. Call poison control center or doctor for further treatment advice.

Precautionary Statements
Hazards to Humans and Domestic Animals
CAUTION: Causes moderate eye irritation. Harmful if ingested. Avoid contact with eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Environmental Hazards
This product is toxic to aquatic invertebrates. Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help ensure that wind or rain does not blow or wash pesticides off the treatment area.

Storage and Disposal
Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store this product in its original container and keep in a secure storage area away from children and domestic animals. Store unused material, tightly closed, in original container only, away from open flame. Do not store at temperatures below 39ºF.

Pesticide and Container Handling:
Nonrefillable. Do not reuse or refill this container. If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
