DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use Sites: Use to selectively control/suppress broadleaf weeds growing in lawns.

Application Directions:
Shake well before using. Mix one part Pulverize with 24 parts water (5oz. in 1 gallon of water). Apply the mixed solution at a rate of 5-10 gallons/1000 ft² (5.6-11.5 fluid oz/yard²). Any standard hand-held or backpack sprayer can be used. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Uniform coverage is important.
Repeat treatment in 3 to 4 weeks for best results.

• Use Precautions:
- Do not apply to drought stressed grass. Ensure that lawn is well watered prior to application.
- Do not apply when daytime temperature will exceed 85° F.
- Do not apply to bentgrass.
- If unsure of grass sensitivity, test spray a small area of your lawn.
- Do not apply to newly seeded areas prior to grass seed germination.
- Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water.
- To avoid staining, wait until treated area dries before re-entry.
- Do not apply if rainfall is expected within 3 hours of application.
- Do not irrigate within 3 hours of application.
- Do not apply to the same area more than 4 times a year.
### FIRST AID
- Hold eye open and rinse slowly and gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye
- Call a poison control center or doctor for treatment advice

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

### Controls Weeds:
- Bull thistle (Cirsium vulgare)
- Dandelion (Taraxicum officinale)
- Moss
- Creeping buttercup (Ranunculus repens)
- Speedwell spp.
- White Clover (Trifolium repens)
- Persian speedwell (Veronica persica)

### Suppresses Weeds:
- Black medic (Medicago lupulina)
- English daisy (Bellis perennis)
- Common chickweed* (Stellaria media)

* at high rates only

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

**ENVIRONMENTAL HAZARDS**
To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.
IF IN EYES:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye
- Call a poison control center or doctor for treatment advice

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:
Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. Store unused material tightly closed, in original container only, away from open flame.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
- Non-refillable container. Do not reuse or refill container.
- If empty: Place in trash or offer for recycling if available.
- If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
