NOT INTENDED FOR BODY APPLICATION OR INDOOR USE.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. SHAKING BEFORE USE: Do not apply directly to food or to food preparation surfaces. Do not apply to pets or to your skin or clothing. Do not allow children to pets to contact treated surfaces until spray has dried. Do not spray indoors. For flying insects: flies, mosquitoes, non-biting gnats, small flying moths, wasps, and multi-colored asian lady beetles. Hold can on a slight downward angle. Point nozzle away from face, other people and animals. From 4 to 6 feet away, spray articles and vegetation in the area including plant leaves and foliage, furniture (except bonding and table top surfaces), outdoor screening, deck railings, campers, and other surfaces that pests may contact or rest upon. Allow spray to drift over area and settle. For best results, spray when air is calm.

DIRECTIONS FOR USE:

STORAGE AND DISPOSAL: Storage: store in a cool, dry place away from food, sparks, and open flame. Disposal: Do not puncture or incinerate! Empty this container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash. If partially filled, call your local hazardous waste agency on 800-522-1300 for disposal instructions.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION: Read label with care and methodically. Wash thoroughly with soap and water after handling and contact with skin or clothing. DRINKING, CHEWING, OR SWALLOWING products may be hazardous to aquatic organisms. Do not apply directly to water. Drain and runoff may be harmful to aquatic invertebrates.
