Marine Spray Nine® cleans the toughest jobs above and below deck. Spray Nine® cuts through grime, grime, mold & mildew, fish blood, yellowing, black streaks, algae, oil, bird droppings, bug/insect debris and more. With its disinfecting formula properties Marine Spray Nine® kills germs, destroys bad odors and helps control mold and mildew on hard, non-porous surfaces.

Preparations:

- n-Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chloride..........................0.15%
- n-Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chloride....... 0.15%

**ACTIVE INGREDIENTS:**
Includes detergents and other grease cutting agents 100.00%

**CAUTION:**

1. Spray on soiled surface.
2. Spray thoroughly, making sure to wet surface completely. Allow to stand 3 minutes minimum before rinsing. When used as directed above, Spray Nine is an effective fungistat in controlling the growth of Aspergillus niger.

**STORAGE AND DISPOSAL**
Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE:
Keep from freezing or temperature greater than 120°F. Store in original container in a cool, dry, well-ventilated area. Do not mix or allow to contaminate other containers except for boat spray bottles which may be refilled with this product only. Triple rinse containers (or equivalently) promptly after emptying. Offer for recycling if available or for reconditioning if appropriate, or puncture and dispose in a sanitary landfill. PESTICIDE DISPOSAL:
Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

**EMERGENCY RESPONSE:**

1. If inhaled, move to fresh air. If not breathing, perform artificial respiration. If breathing is difficult, give oxygen. If breathing stops, call 911 and operate artificial respiration. Do not give by mouth if patient is unconscious.
2. If on skin or on clothing:
   - Remove contaminated clothing. Rinse skin immediately with plenty of water. Hold eyelid open and rinse slowly and gently over eye for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

**ENVIRONMENTAL HAZARDS**

1. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water or Regional Office of the EPA. This product is toxic to fish, aquatic invertebrates, shrimp, and oysters.

**PRECAUTIONARY STATEMENTS:**

- Hazards to humans and domestic animals.
- CAUTION:
  - Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. For prolonged use, protective gloves are recommended. Wash thoroughly with soap and water after handling.
  - CAUTION:
  - Keep out of reach of children. Avoid contact with eyes, skin or clothing. For prolonged use, protective gloves are recommended. Wash thoroughly with soap and water after handling.
