Tickshield with Lemongrass is an extra strength insecticide and repellent made from cedarwood and lemongrass essential oils. Designed for people, pets and indoor use, Tickshield kills and helps repel fleas, ticks, mosquitoes, mites, and ants.

How to Use Tickshield with Lemongrass

Dogs and Horses: Lightly mist coat or apply with hands, or the Cedarcide Flea + Tick Brush. Massage into coat. Cover legs, underbelly, around ears and tail. Use hands to apply to face, avoiding eyes and mouth.

Adults: Spray directly on skin and clothing. Use hands to apply to face, avoiding eyes and mouth.

Children: Adults should use hands to apply to children. Apply sparingly, avoiding eyes, mouth, and hands.

Indoors: Use on doorways, window frames, pet areas, and other indoor spaces. Lightly mist or apply using a cloth. Do not use in food preparation areas. When spraying furniture or clothing, test on a small area first. Exercise caution, floors and other surfaces may become slick. To clean, use soap and water.

Precautions/First Aid: Do not spray on plants, reptiles, birds, or beneficial insects. Keep out of reach of children. Avoid eye contact. In case of eye contact, flush with water. Use in a well-ventilated area. If ingested, rinse mouth and drink plenty of water. Consult a physician. If sensitivity occurs, discontinue use and seek medical attention. Pregnant and nursing mothers should consult a physician before using this product. Consult a veterinarian before use on animals under 20 lbs.

Storage/Disposal: Store closed in a cool, dry, and well-ventilated place. Avoid direct sunlight. Dispose in accordance with applicable regional, national, and local laws and regulations.
