**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**
CAUTION: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Keep away from children, domestic animals and pets.

**Personal Protective Equipment (PPE):**
All handlers (including applicators) must wear long pants, shoes, socks, and barrier laminate gloves. Any person who retrieves carcasses or unsanitized follow-up applications of this product must wear barrier laminate gloves.

**Do Not Use:**
- Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions are available, use detergent and hot water. Keep and wash PPE separately from other laundry. Remove PPE immediately after handling this product. Wash the outside of barrier laminate gloves before removing. As soon as possible, wash hands thoroughly after applying the bait and before eating, drinking, cleaning guns, using tobacco or using the toilet and change into clean clothing.

**ENVIRONMENTAL HAZARDS:**
This product is extremely toxic to mammals, birds, and other wildlife. Dogs, cats and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply directly to water, to areas where surface water is present or to intermittent areas below the mean high water mark. Do not allow bait to be exposed on soil surface. Do not apply where runoff is likely to occur in the non-contaminated water below the mean high water mark.
