To Treat Luggages, Laptops/Phones & Small Household Items:

Use this product to kill bed bugs, dust mites and their eggs in household items like luggage, books, footwear, electronics and other items which can be placed in a treatment bag.

**How To Treat**

**Step 1**
Place items in treatment bag. Important: Leave air space at top of bag and pack items loosely.

**Step 2**
Remove peel-off seal from two (2) treatment pads to expose the vents.

**Step 3**
Place two (2) treatment pads on top of items in treatment bag, ensuring vent holes face upward. Prevent items from contacting vents. Seal treatment bag airtight, ensuring vents of treatment pads are not blocked. Inspect for tears or punctures - if found, repair with packing tape.

**After 48 Hours:**
Open bag in well ventilated area or outdoors. Do not open near sources of spark or open flame. Unplug any electrical devices nearby. Air out before removing treated items.

TREAT THE WHOLE ROOM, NOT JUST THE BED.

- **MYTH:** Bed bugs only live in your bed.
- **FACT:** Bed bugs roam the whole room.

As they multiply, they will gather in ‘nests’ that sprays can’t reach to hide and lay eggs.

Use **Proof Bed Bug Nest Killer** on household items such as...

<table>
<thead>
<tr>
<th>MATTRESS &amp; FURNITURE</th>
<th>LUGGAGE &amp; HOUSEHOLD ITEMS</th>
</tr>
</thead>
</table>

**There are two types of Bed Bugs...**
the bed bugs you see & the hiding bed bugs and eggs you don’t see.

Most sprays target the bed bugs you can see. To truly stop bed bug bites for good you need to kill the bed bugs where they are hiding – the nests. **Proof Bed Bug Nest Killer** penetrates deep to kill bed bugs and eggs in places sprays cannot reach. Bed bugs can nest almost anywhere. Finally, there is a way to kill them!

**BED BUG NEST KILLER**

Kills Bed Bugs, Dust Mites & Their Eggs

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
Caution: Liquid contained in the treatment pad can cause moderate eye irritation. Avoid contact with eyes or clothing. Do not get liquid in mouth. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If ingested: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

In the event of a medical emergency call your poison control center at 1-800-222-1222 (24 hours). Have the product container or label with you when calling a poison control center, doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS
Flammable. During all stages of treatment, keep the treatment pad and treated bags away from heat, sparks, open flames or hot surfaces (e.g. baseboard, floor heaters, stoves, cigarettes, e-cigarettes, etc.). Unplug all electrical equipment prior to opening treated bags.

Storage And Disposal
STORAGE: Protect the product from extreme heat or cold, away from hot surface, sparks, open flame or pilot lights. Do not remove from outer packaging until ready to use. DISPOSAL: Do not place unused product in trash. The product is for one-time application only, and inner and outer packaging are nonrefillable. Offer used product, packaging, and treatment bag for recycling if available or dispose of in trash.

Warranty Statement
NOTICE: To the extent consistent with applicable law, research and testing have determined the “Directions for Use” are appropriate for the proper use of this product under expected conditions. To the extent consistent with applicable law, user assumes responsibility for the lack of performance or safety if not used as directed.

Directions For Use
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label. Use strictly in accordance with precautionary statements and directions, and with applicable state and Federal regulations.

To Treat Luggage, Laptops/Phones and Small Household Items:
Use this product to kill bed bugs, dust mites and their eggs in household items like luggage, books, footwear, electronics and other items which can be placed in a treatment bag.

What You Need:
• Treatment bag (Included)
• 2 treatment pads for each bag
• A well-ventilated space, free of any source of spark or open-flame

PRECAUTIONS:
• At all times during a treatment, keep bags being treated away from sparks, open flame or hot surfaces.
• Always open treated bags in a well-ventilated area, away from any source of sparks, open flame or hot surfaces.
• Treatment bag may pose suffocation hazard. Keep away from children. Do not enter or put head into treatment bag.
• Proof Bed Bug Nest Killer 2 is intended to treat items sealed within treatment bags. It cannot control bed bugs or dust mites on surfaces outside of the treatment bag.

See side panel for additional directions for use.
* When used as directed.
** If you are not satisfied with this product’s performance, we will gladly refund your original purchase price.
