*Equivalent to 6.5% boron expressed as elemental boron.

THIS PRODUCT CONTAINS A FIRE RETARDANT

50 POUNDS NET WEIGHT

EPA REG. NO 33560-46

EPA EST. NO 33560-TN-1

KEEP OUT OF REACH OF CHILDREN

DANGER – PELIGRO

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lens, if present after first five minutes then continue rinsing. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or a doctor for treatment advice.

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing call 911 or an ambulance then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice. Have this product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Treat for circulatory shock, respiratory depressions, and convulsions, if needed.

Emergency Contact Number: 901-332-7052
PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS
Harmful if swallowed. Causes serious eye damage. Suspected of damaging the unborn child. May cause damage to organs through prolonged or repeated exposure.

USER SAFETY RECOMMENDATIONS
Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing. User should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

PERSONAL PROTECTIVE EQUIPMENT
Some materials that are chemical-resistant to this product are made of any waterproof material. If you want more options, follow the instructions for category A on the EPA chemical-resistance category selection chart.

All loaders, applicators and other handlers must wear:
• Long sleeved shirt and long pants
• Shoes plus socks
• Chemical resistant gloves, and
• Protective eyewear

USER SAFETY REQUIREMENTS
Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather.

Discard clothing or other absorbent material that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them

ENVIRONMENTAL HAZARDS
Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water used by wildlife and aquatic life, or for domestic and irrigation purposes. Do not apply where runoff is likely or where weather conditions favor movement away from target areas. Do not contaminate water when disposing of equipment washwaters or rinsates.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in any manner inconsistent with its labeling.

PRODUCT INFORMATION
BareSpot® Weed & Grass is designed for non-selective kill of weeds and grasses with a single treatment. Use for quick knockdown of existing vegetation as well as short season effect in the soil for control of re-growth or new seedlings. Use for general mixtures of weeds and grasses.

ENTRY RESTRICTIONS
Do not enter or allow others to enter the treated areas until dusts have settled.

FOR USE ON INDUSTRIAL SITES OR SIMILAR NON-CROPPED AREAS
IMPORTANT: This material is not selective in action, may be toxic to all types of vegetation, and may render the entire treated area totally or partially unproductive for one or more years. Care should be taken to continue the use of application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops and other desirable plants, which are not intended to be destroyed or injured. This includes precautions in treating areas, which may be under-laid by roots of adjacent desired growths. Careless application of this material, or washing by water run-off to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas. Do not contaminate domestic or irrigation water or waters used by fish and wildlife. Wash clothing and equipment after application. Keep animals off treated area until rainfall has leached all the herbicide into the soil. Mechanical equipment should be thoroughly cleaned after use.
WHERE TO USE

AROUND AND NEAR THE FOLLOWING: Bleachers, Bridge abutments, Buildings, Bunkers, Buried cable closures, Catwalks, Compressor stations, Cooling towers, Cross connected boxes, Electrical generators, Fence lines, Fire hydrant, plug or walls, Fuel tanks, Generating plants, Guard rails, Helo pads, Highway and street markers, Loading stations, Lumber yards, Microwaves towers, Oil and gas pipelines, Oil refineries, Parking lots, Pump decks, Railroad lines and sidings, Runway lights, Runways, Sign post, Storage and equipment yards, Utility poles and substations, Vacant lots, Valves & manifolds, Waste lagoons or other similar non-cropped areas.

UNDER THE FOLLOWING: Concrete, Gravel, Driveways (not on a slope), Sidewalks or Walkways, Wood decks

WHEN TO USE: Use BareSpot® Weed & Grass anytime during the growing season. Weeds and grasses are easier to kill when they are young and growing rapidly.

APPLICATION: For all uses uniform application is essential. The material becomes effective in the soil followed by rainfall or irrigation. (See applications rates below) BareSpot® Weed & Grass is ready to use! Apply with a hand-operated spreader, such as a conventional cyclone type spreader or a power spreader for larger areas.

Use the following rates of application under most conditions:

<table>
<thead>
<tr>
<th>KINDS OF WEEDS</th>
<th>APPLICATION RATES</th>

</thead>
<tbody>
<tr>
<td>General Vegetation</td>
<td></td>
</tr>
<tr>
<td>Control</td>
<td>1-2 lbs./100 sq. ft.*</td>
</tr>
<tr>
<td><strong>PERENNIAL and deep rooted</strong></td>
<td></td>
</tr>
<tr>
<td><strong>Weeds</strong></td>
<td>3 lbs./100 sq. ft. **</td>
</tr>
<tr>
<td>*Appropriately 2 ½ cups of BareSpot® Weed and Grass equals 1 lb.</td>
<td></td>
</tr>
<tr>
<td>**As low as ½ - 1 lb./100 sq. ft. can be used on young and rapidly growing general vegetation.</td>
<td></td>
</tr>
<tr>
<td>**As low as 1 ½ lb./100 sq. ft. can be used on young and rapidly growing deep rooted perennials</td>
<td></td>
</tr>
</tbody>
</table>

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Avoid contact with floor and moisture.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinseate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Non-refillable container. Do not refill or reuse container. Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then offer for recycling, if available, or dispose of bag in a sanitary landfill or by incineration if allowed by State or Local authorities.

NOTICE: Because of the many varying conditions affecting use and application such as location, seasonal weather, soil composition and type of vegetation manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither the manufacturer or seller may be liable in respect to any injury or damage suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions here-on nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, expressed or implied by law, not specifically set forth herein.

DISCLAIMER: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED OR IMPLIED OR STATUTORY INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR USE. Timing, rate, and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of the seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damage arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product at buyer’s option as full discharge of seller’s liability. No one is authorized to make any other warranty, guarantee or directions concerning this product and no such warranties, guarantees or directions shall be valid or binding upon seller.
