MIRACLE CARE® EAR CLEANER FOR DOGS & CATS

DIRECTIONS:
Use two or three times a week to keep the ears clean and reduce ear odors. Use before and after bathing, swimming or hunting. Fill the ear canal with Miracle Care Ear Cleaner For Dogs & Cats. Gently massage the base of the ears. Use facial tissue or cotton to clean the ears.

CAUTION:
Keep out of reach of children. Avoid contact with eyes or mucous membranes. If eyes are contacted, wash with water immediately. Do not use on infected ears, especially if there is an open wound. Contact a veterinarian if irritation develops or if an allergic reaction is suspected.

Harmful if swallowed.
FIRST AID (Human):
Call a physician or poison control center.

INGREDIENTS:
Water, 35% Isopropyl Alcohol, Salicylic Acid, Oil of Eucalyptus, Polysorbate 60, FD&C Yellow No. 5, FD&C Red No. 40, FD&C Blue No. 1

USE ONLY ON DOGS AND CATS
R-7M™ Ear Mite Treatment

DIRECTIONS FOR USE
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

Use Restrictions:
Use only in a well-ventilated area. Do not contaminate food or foodstuffs. Not for use in outdoor residential misting systems.
Shake well before using. Do not use on puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals. Avoid contact with animal’s eyes. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, immediately consult a veterinarian.

To Control Spinose Ear Ticks and Ear Mites, apply 10 drops to each ear making sure it penetrates the wax down to surrounding tissues. Repeat treatment once or twice at 2-3 day intervals.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store in original container in a cool, dry (preferably locked), place inaccessible to children and pets and away from heat or sunlight. Protect from freezing.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal: Non-refillable container; do not reuse or refill this container.
If empty: Offer for recycling, if available, otherwise discard in trash.
If partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals
Thoroughly wash with soap and water after using and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.
To the extent not prohibited by applicable law, buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given hereon.
