**Active Ingredient:**
- In product: Cause moderate eye irritation. Use the bait to protect non-crop directions for different plant types and for inside greenhouses. Application, use standard granular spreaders. Apply the higher rates if the infestation is severe or not apply this product in a manner that will contact workers or other persons, either directly or do not contaminate water when disposing of equipment washwater or rinsate.

**Environmental Hazards:**
- For terrestrial uses. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

**Personal Protective Equipment:**
- Should be worn: long-sleeved shirts and long pants; and shoes, plus socks. Follow manufacturer’s instructions for wearing PPE as no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

**User Safety Recommendations:**
- Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing/PPE immediately after pesticide gets inside. Then wash thoroughly and put on clean clothing.

**DIRECTIONS FOR USE**
- Use this product in a manner consistent with its labeling. Do not apply this product in a manner that will contact workers or other persons, either directly or through drift. Only protected workers may be in the area during application. For requirements specific to your State or Tribe, consult the State or Tribal agency responsible for pesticide regulation.

**Agricultural Use Requirements**
- Use this product in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about Personal Protective Equipment (PPE) and the restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard (WPS).

**Non-Agricultural Use Requirements**
- The requirements in this box apply to uses of this product that are not within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries, and greenhouses. There is a restricted-entry interval of zero hours for this product.

**Storage and Disposal**
- Use nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Completely empty metal drum, plastic bag, box or plastic tote into application equipment. Then dispose of empty metal drum, plastic bag, box or plastic tote in a sanitary landfill, or by incineration, if allowed by State and local authorities, by burning if burned, stay out of smoke.

**Batch Code**
- Warranty to the extent consistent with applicable law, the seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with the directions for use. To the extent consistent with applicable law, this warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.
