EPA Est. No. 2724-TX-1

WARRANTY AND CONDITIONS OF SALE:
Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller’s liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

In case of emergency or product use information, call 800-234-2269 or visit our website at adamspetcare.com

Wet pet’s coat thoroughly with water, then pump shampoo onto pet and rub shampoo into coat starting with head and working back and down. Use about 1 1/3 tablespoons for each 5 lbs. of pet’s weight. Do not apply shampoo around eyes. Continue to work lather in over the whole pet for 3 to 5 minutes (this is an important part of the grooming procedure). Rinse pet with warm water and towel dry. For extremely dry or scaly animals, the above procedure may be repeated. Repeat every 7 to 10 days (if necessary) for adult flea relief. Flea egg hatch inhibition will last for 28 days.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
CAUTION
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
HUMANS: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash hands thoroughly with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

DOMESTIC ANIMALS: Do not apply to pets (puppies) less than 12 weeks old.
