ACTIVE INGREDIENT:

- Dimethylamine Salt of 2,4-Dichlorophenoxyacetic Acid .......................... 46.35%
- Dimethylamine Salt of (+)-R-2-(2-Methyl-4-Chlorophenoxy)propionic Acid **.......................................................... 12.10%
- Dimethylamine Salt of (+)-R-2-(2,4-Dichlorophenoxy)propionic Acid *** .......................................................... 11.91%

OTHER INGREDIENTS:................................................................................. 29.64%

Total.................................................. 100.00%

Environmental Hazards

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewersystems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This material requires further mixing before use. Only for formulation as a herbicide for the following uses: terrestrial non-food crop, residential and commercial outdoors, such as lawns, established turfgrasses, sod nurseries, landscape ornamentals, parks, airports, roadsides, schools, picnic grounds, athletic fields, house of worship, cemeteries and golf courses.

This product may be used to formulate products for specific uses not listed on the MP label, if the formulator, user group or grower has complied with USEPA data and citations of data requirements regarding support of such uses.

Uses for experimental purposes that are in compliance with U.S. EPA regulations.

Wettable powder formulations must be packaged in water-soluble packages.

Only for formulation into end use products with directions for use that prohibit aerial application.

For specific information relating to composition, toxicity, methods of formulation and the product's effectiveness, please contact your Nufarm representative.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Always use original container to store pesticides in a secured warehouse or storage building. Store at temperatures above 32°F. If allowed to freeze, remix before using. This does not alter the product. Containers should be opened in well-ventilated areas. Keep container tightly sealed when not in use. Do not store container cases more than two pallets high. Do not store near open containers of fertilizer, seed or other pesticides.

Pesticide Disposal: Pesticide wastes are toxic. If container is damaged or if pesticide has leaked, contain all spillage. Absorb and clean up all spilled material with granules or sand. Place in a closed, labeled container for proper disposal.

Improper disposal of excess pesticide, spray mixtures, or rinsate is a violation of Federal law and may contaminate groundwater. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Warranty Disclaimer and Limitation of Liability

The directions for use of this product must be followed carefully. To the extent consistent with applicable law, (1) the goods delivered to you are furnished "as is" by manufacturer or seller and (2) manufacturer and seller make no warranties, guarantees, or representations of any kind to buyer or user, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. To the extent consistent with applicable law, buyers or users exclusive remedy, and manufacturers or seller's total liability shall be for damages not exceeding the cost of the product.

If you do not agree with or do not accept any of directions for use, the warranty declarations, or limitations on liability, do not use the product, and return it unopened to the seller, and the purchase price will be refunded.
