Ortho Groundclear Poison Ivy & Tough Brush Killer RTU

EPA Reg No.239-2587(1.33 gal)

THIS PAGE PRINTS AT 100% OF THE ORIGINAL LABEL TO FIT ON 11" x 17" PAGE
PRODUCT FACTS

Formulated for residential use.

KILLS WEEDS*: Over 60 types of tough weeds and brush including Poison Ivy, Honeysuckle, Poison Oak, Kudzu & Blackberry

WHERE TO USE

Kills poison ivy and poison oak in non-garden areas — around homes, cabins, buildings, fences, and trails.

*For best results when treating trees, apply when trees are small.

IMPORTANT: Do not use on or around edible feed or food crops or areas where grazing is allowed.

Do not enter or allow pets to enter treated areas until spray has dried.

The ORTHO® Guarantee: If, for any reason, you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.

FORMULATED FOR RESIDENTIAL USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Do not use air or pressurized water to fluid crops or areas where grazing is allowed.

KILLS WOODY PLANTS, VINES AND BRAMBLES

Arborvitae, Big Leaf Maple†, Black Cottonwood, Black Walnut, Box Elder, Carolina Cherry, Choke Cherry†, Common/ Kansas, Cottonwood, Dutch Elm, Elm, Eastern Redbud, European Nanking, European Pearl, Fall, Fothergilla, Himalayan Blackberry, Honeylocust, Redbud, Willow, Winged†. Brown, Common Leaf Willow†, Oak, Purpleleaf, Poison Ivy, Poison Oak, Poison Sumac, Raspberry, Red Alder, Redbud, Red Oak, Cherry†, Scouler Willow†, Shrub, Trailing Blackberry, Trumpet Creeper, Virginia Creeper, Wild Blackberry, Wild Rose, Wild Grape, Willow†

†small volunteer plants or “suckers” only or small trees

KILLS WEEDS

Bindweed (Wild Morningglory), Broadleaf Plantain, Buckhorn Plantain, Buttercup, Canada Thistle, Carpetweed, Chickweed, Creeping Woodsorrel, Curly Dock, Dandelion, English Daisy, Florida Pusley, Ground Ivy, Horsetail Rush, Knotweed, Narrowleaf Plantain, Oxalis, Purslane, Spurge, Tansy Ragwort, White Clover, Wild Garlic

WHEN TO APPLY

Apply when weeds are leafed out and actively growing. For best results, apply to mature leaves. Apply when air is calm or gentle wind to desirable vegetation or plants. Best results occur if application makes complete contact with leaves. Applications made on days when application will produce maximum effectiveness. Waiting or allowing foliage to dry will occur 2 to 6 weeks. Hartford’s hawthorn may require reapplication in spring and fall. For hardy woody plants such as Ash, Oak, Rose, Privet (Blackberry, Blackberry, Honeysuckle, and Honeysuckle) and in the fall, reapplication in the fall for next season’s growth. Remember to apply through first week in October (fall application) to achieve best results the following season. For areas that generate major application in fall and spring, applications in May and August is recommended. Important: Do not allow spray to contact desirable vegetation or ornamental plants or plants you may want to keep. Not for use on or around edible feed or food crops or areas where grazing is allowed.

SHOULD NOT BE USED ON OR AROUND:

• Any area which could be entered by children or pets
• Any area where children or pets are present
• Any area where children or pets are likely to enter

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:

Non-refillable container. Do not reuse or refill this container. If empty:

• Place in trash or offer for recycling if available.

When spot treating weeds around desirable plants shield plants from drift with a sheet of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water.

Hazardous materials. Do not reuse or refill this container if empty. Store在外 box or roof for safekeeping. If rejected stock, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION:

Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wear long-sleeved shirt, long pants, shoes and socks when applying this product. Wash thoroughly with soap and water after handling. Do not store in toilet, sink, lavatory, or any household facility. Do not store in a place where children or pets are likely to enter. Do not allow spray to contact desirable vegetation or ornamental plants or plants you may want to keep.

DO NOT ENTER OR ALLOW PEOPLE OR PETS TO ENTER TREATED AREAS UNTIL SPRAY HAS DRIED.

INSTRUCCIONES DE USO

1. Se considera una violación a la ley federal usar este producto con otros fines que los indicados en la etiqueta.

2. IMPORTANTE: No aplicar el producto en o alrededor de alimentos o cultivos de plantas alimenticias, ni en áreas donde se permita pastar.

3. Cortezuela, llantén mayor, llantén menor, ranúnculo, cardo de Canadá, anicillos, álsine, vinagrillo, romaza, diente de león, margarita inglesa, golondrina blanca, hiedra terrestre, colas de caballo, sanguinaria, plántago menor, vinagrillo, verdolaga, euforbio, hierba de Santiago, trébol blanco, ajo silvestre, hierba de Santiago, tórtola, diente de león, diente de león, diente de león, diente de león.

4. Siga las ilustraciones e instrucciones anteriores. Rocíe la maleza hasta humedecer completamente el follaje, los tallos y el tronco. No rocíe las plantas o céspedes que sí quiera, pues pueden morir también. No recomendado para el control de malezas en céspedes. Al tratar malezas de manera focalizada alrededor de plantas que no desea eliminar, protégalas de la dispersión del rocío con una lámina de cartón o de plástico. De rociar accidentalmente plantas que no desee eliminar, enjuáguelas con bastante agua de inmediato.

5. IF ON SKIN
OR CLOTHING
NOTE TO
PHYSICIANS
IF IN EYES
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.
Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses (if present) after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or going for treatment.

6. IF ON SKIN
OR CLOTHING
NOTE TO
PHYSICIANS
IF IN EYES
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Do not rub eye. Remove contact lenses (if present) after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or going for treatment.
CUÁNDO APLICAR
Aplique cuando las malezas estén llenas de hojas y estén creciendo activamente. Para mejores resultados, aplique a las hojas maduras. Debe aplicarse cuando el clima esté tranquilo, dado que el rocío puede ser arrastrado por el viento. Debe aplicarse al aire libre. Cuando el clima esté nublado, aplique en una zona que reciba la mayor cantidad de luz directa del sol.

PRECAUCION:
RIESGOS PARA LOS SERES HUMANOS Y LOS ANIMALES DOMÉSTICOS
NUNCA DEJE QUE LAS PERSONAS O LAS MASCOTAS INGRESEN A LAS ÁREAS DE TRATAMIENTO HASTA QUE EL ROCIADO SE HAYA SECADO.

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION:
Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wear long-sleeved shirt, long pants, shoes and socks when applying this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

PRECAUTIONARY STATEMENTS

ENVIRONMENTAL HAZARDS

FIRST AID

IF ON SKIN

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF IN EYES

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIANS

To protect the environment, do not allow pesticide to enter or run-off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product contains a chemical that has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

NOTICE:
To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with label directions. The ORTHO® Guarantee: If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.
