CAUTION: See back panel for additional Precautionary Statements

Net Contents: 20 fl oz (591 mL)
Harris® Ant Killer Spray is formulated with active ingredients approved by the U.S. EPA as a minimal risk pesticide.

CAUTION
For external use only. Avoid contact with eyes. May cause skin irritation in rare cases. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID
If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin: If skin irritation occurs, wash with mild soap and water. Discontinue using the product. If irritation persists, contact a physician for treatment advice. If Swallowed: Call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE
Read the entire label and shake well before use. Ready to use. Do NOT dilute.
Application Directions: Spray ants from a distance of 8-12 inches. Use 2-4 trigger sprayer pumps and thoroughly wet ants, but not to the point of saturation/runoff. Spray ant trails, especially entry points, where possible. Treating Pantry, Cupboards, or Closets: Before Applying Product to pantry, cupboards, cabinets, or closets, remove items to allow best access and prevent contaminating non-target items. Apply product directly to pests and areas they may be harboring. Repeat as necessary.
General Indoor Treatments: Spray pests directly when possible, making sure to use the nozzle on the ‘spray’ setting for direct applications. Additionally, adjust the nozzle to ‘stream’ to treat pests that may be hiding in cracks and crevices throughout the house. Note cracks behind baseboards, cracks inside of furniture, and around cabinets. Also treat any accessible areas behind appliances and cabinets, around trash cans, around window and door frames, and in attics/basements/crawlspace.

STORAGE AND DISPOSAL
Turn nozzle to ‘off’ position when not in use. Do not contaminate water, food or feed by storage or disposal.
Storage: Store only in original container, in a dry place inaccessible to children and pets. Avoid heat and direct sunlight. Protect from freezing. Disposal: Do not reuse this container. Place in trash or offer for recycling, if available.
