STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only. NEVER LEAVE ANY BURNING CANDLE UNATTENDED. DO NOT USE WATER TO EXTINGUISH. To reduce exposure of mosquitoes, use one or more candles in still air. Best results within 3 ft. Do not use indoors or in enclosed areas such as garages, porches or tents. Place candles at least 18 inches apart. Container may become hot. Handle carefully. Place on heatresistant surface away from anything flammable and out of reach of children or pets. Do not move candle while burning or before warming. Always extinguish flame before moving. Do NOT BLOW OUT WATER TO EXTINGUISH — smother flame instead to extinguish. Keep spray nozzle at least 6 inches from all people, pets, and vegetation. Do not apply to children or pets. Do not wash container or label with water when cleaning equipment or disposing of remaining liquid in container. Place wick trimmed to ½ inch or less at all times. Keep candles free of matches or other foreign objects, which may present a fire hazard. Discontinue use when 1 inch of wax remains. To maximize the repellent barrier, use several Repel® Insect Repellent Citronella Candles to create perimeter protection against flying insects. Remove Ad before burning. Place lid on top of Ad to extinguish. Lid will be hot after extinguishing flame.

PRECAUTIONARY STATEMENTS • Hazards to Humans and Domestic Animals

CAUTION: Caution symbol or warning statement. Avoid contact with eyes. Do not get on skin or clothing. Harmful if swallowed or inhaled. Do not breathe vapor or smoke dust. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

FIRST AID — If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Inhalation: If Swallowed: Immediately call Poison Control Center or doctor. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. If ingested: Immediate medical attention required, very harmful if swallowed. Harmful if inhaled. • Direct contact with skin or clothing: Wash skin or clothing with soap and water. • Inhalation: Do not get this product around your face. • Inhalation: Wash face and clothing with soap and water. • Inhalation: If exposed or suspect exposure: Wash face, clothing and shoes with soap and water. • Inhalation: If your eyes are irritated: Stop using and go for medical treatment immediately. • Inhalation: If your skin is irritated: Stop using and go for medical treatment immediately. • Inhalation: If your skin is in contact with this product: Remove contaminated clothing. Take off all other clothing if possible. Wash exposed skin with soap and water. • Inhalation: Do not use soap or detergent. • Inhalation: Wash with soap and water. • Inhalation: If your skin is not in contact with this product: Wash face, clothing and shoes with soap and water. • Inhalation: Wash face, clothing and shoes with soap and water. • Inhalation: If your skin is not in contact with this product: Wash face, clothing and shoes with soap and water. • Inhalation: Wash face, clothing and shoes with soap and water. • Inhalation: If your skin is not in contact with this product: Wash face, clothing and shoes with soap and water. • Inhalation: Wash face, clothing and shoes with soap and water. • Inhalation: Do not wash container or label with water when cleaning equipment or disposing of remaining liquid in container. SHAKE WELL BEFORE USING

40% DEET
• Hours of effective protection from mosquitoes, ticks, black flies, gnats, chiggers, no-see-ums, sand flies, deer flies, fleas, biting flies and other biting insects
• Non-greasy and resists perspiration
• Developed especially for campers, backpackers, fishermen, hunters, golfers, bikers, hikers, joggers, ball players and active outdoor enthusiasts

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Hold container 6-8 inches from skin or clothing and spray with a slow, sweeping motion. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly on face. If used on the face, spray on hands first, then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid overapplication. Do not apply over cuts, wounds or irritated skin. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands.
• Works on clothing, too: Spray shirts, pants and hats. For ticks, chiggers and fleas, apply to tops of socks and around openings of outer clothing.
   After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in a cool, dry place, out of reach of children.
CONTAINER DISPOSAL: Do Not Puncture or Incinerate! If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
WARNING. Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reactions in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID • If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. • If you suspect a reaction to this product: Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. For additional information in case of emergency call toll-free 1-888-880-1181.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

Physical and Chemical Hazards • FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply to synthetic fabrics such as acetate, rayon or spandex. Will not damage cotton, wool or nylon. May damage furniture finishes, leather, plastics and painted and varnished surfaces, including watch crystals, guns, bows and automobiles.

NOTICE: Seller assumes all responsibility for safety and use not in accordance with directions.
