**SAWYER® PREMIUM INSECT REPELLENT CLOTHING, GEAR & TENTS CONVENIENT SPRAY**

**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION:** Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**FIRST AID:** If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 800-356-7811. Weekdays from 9-5 EST After 5 PM, call your poison control center.

**ENVIRONMENTAL HAZARDS:** This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment, wastewater, or residue. See Directions for Use for additional precautions and requirements. This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

**PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.

**DIRECTIONS FOR USE:** Shake well before using. This product should not be applied to clothing while it is being worn. Under no circumstances should bare skin or clothing on the body be treated. Do not spray directly on or otherwise allow to come in contact with skin, face, or eyes. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. This product is to be used as a clothing and gear treatment only. In case of accidental spraying of skin see “First Aid” above. Make all applications outdoors. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not apply the product to enter any drain during or after application. Not for broadcast use on indoor residential surfaces. Not for use in outdoor residential misting systems.

For six week protection against ticks, chiggers and mosquitoes, select an outdoor area protected from the wind, spray outer surfaces of clothing (while not being worn) with a slow sweeping motion to lightly moisten the surface of the fabric. Hold can at a distance of 6 to 8 inches. (A complete outfit consists of shirt, trousers, and socks.) Treat each item of clothing for a minimum of 30 seconds on each side and allow 2 hours (4 hours under humid conditions) before using. Do not retreat gear more than once every six weeks.

In heavy infested areas protection from ticks and chiggers will be improved by either wearing the cuffs inside footwear or taping pant cuffs around legs. Protection from mosquitoes can be further enhanced by applying an EPA approved repellent to face, hands and other exposed areas of the body.

**MOSQUITO NETTING, NETS, TENTS, SLEEPING BAGS, BACKPACKS AND GROUND CLOTHS:** Do not treat inside of sleeping bag. Spray exterior surfaces of tent only. Select a well-ventilated outdoor area protected from wind and lay out gear to be treated. Hold can upright about 6 to 8 inches from surface of the article and spray with a slow sweeping motion to lightly moisten the surface of the fabric. Continue spraying over entire article, until the outer surface of the article is moist enough to cause a slight color change. Turn the article over and treat the other side. Hang treated gear and allow to dry for at least 2 hours (4 hours under humid conditions) before using. Do not re-treat gear more than once every six weeks.

**STORAGE AND DISPOSAL:** Storage: Store in a cool, dry area, inaccessible to children and away from heat and open flame. Disposal: Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

**LABELING.**

**DIRECTIONS FOR USE:**

1. After applying the repellent, check treated clothing for even moisture coverage. If needed, add another spray application to ensure even moisture distribution. Make sure to treat the other side of the clothing item.

2. Allow the treated clothing to dry for at least 2 hours before wearing. For optimal effectiveness, clothing should be dry before use.

3. Apply the repellent in a spray application. Apply a single spray application to the outer surfaces of clothing, such as the sides, seams, and cuffs. Avoid applying to seams or other internal parts of the clothing.

4. For single applications, use the entire can to treat a single complete outfit. One can will treat four complete outfits. Follow normal laundering procedures weekly. Reapply after six weeks and sixth laundering.

5. Do not apply the repellent inside of sleeping bags or tents. Apply only to the exterior surfaces of clothing and gear.

6. Do not apply the repellent directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas.

7. Do not allow the product to enter any drain during or after application. Not for broadcast use on indoor residential surfaces. Not for use in outdoor residential misting systems.

8. Do not apply the product to enter any drain during or after application.

**PRODUCT CONTENTS: 18 OZ / 510 G**

**ITEMS INCLUDED:**

- 4 OUTFITS
- EFFECTIVE FOR 6 WEEKS OR 6 WASHINGS
- ODORLESS PERMETHRIN
- PREMIUM INSECT REPELLENT
- CLOTHING, GEAR & TENTS

**KEEP OUT OF REACH OF CHILDREN**
