Have product container or label with you when calling a Poison Control Center or doctor or going for treatment.

Questions: 800-356-7811, Weekdays from 9-5 EST.

PHYSICAL HAZARDS: Combustible: Do not use or store near heat or open flame.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING. Repels listed mosquitoes and ticks for up to twelve hours. Hold 4 to 6 inches away from skin while spraying, keeping nozzle pointed away from face. Use just enough repellent to cover exposed skin. Avoid over-application of this product. Do not apply to the hands of small children. Do not use under clothing. Do not spray directly on face. Apply on face by first spraying small amounts in palms of hands and spreading on face and neck. Do not apply near eyes or mouth. Apply sparingly around ears. Frequent reapplication and saturation is unnecessary for effectiveness. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Reapply every 12 hours. Do not exceed two applications per day.

STORAGE AND DISPOSAL: Storage:
Store in a cool, dry place inaccessible to children.

Disposal:
Nonrefillable container. Do not reuse or refill this container.
If empty:
Place in trash or offer for recycling if available.
If partly filled:
Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

We keep you outdoors™
