Repel Fleas Naturally

Herbal Flea Powder for Pets

With Essential Oils

• Gentle enough for puppies and kittens*
• Great for pets and pet bedding

For Use On Any Pet Bedding

NaturVet Herbal Flea Powder can be used on any type of pet bedding, such as pillows, foam beds, blankets and cat condos.

The natural effectiveness of Thyme, Lemongrass and Rosemary Oil repels fleas while providing superior deodorization leaving your pet’s bed with a pleasant fragrance.

DIRECTIONS: Sprinkle NaturVet Herbal Flea Powder directly on top of pet bedding, or inside pet bedding. Use as often as needed.

ACTIVE INGREDIENTS: Thyme Oil (.25%), Lemongrass Oil (.5%), Rosemary Oil (.5%).

INERT INGREDIENTS: Calcium Carbonate, Cellulose, Silica (Crystalline Free), and Magnesium Stearate. Total Inerts (98.75%)

This product is filled by weight not by volume, some settling will occur.

This product has not been registered by the U.S. EPA. Garmon Corporation represents that this product qualifies for exemption from registration under FIFRA.

100% MONEY BACK GUARANTEE

For Use On Dogs And Cats

NaturVet Herbal Flea Powder can be used directly on dogs, cats, and pet bedding. *For use on puppies and kittens after weaning and when over the age of six weeks.

The unique natural combination of Thyme, Lemongrass and Rosemary Oil repels fleas while deodorizing and absorbing excessive skin oils. NaturVet Herbal Flea Powder will leave your pet with a fresh and pleasant fragrance.

DIRECTIONS: Apply NaturVet Herbal Flea Powder on body and neck, around ears and on tail. Will not interfere with other spot-on products such as Advantage® (trademark of Bayer). Use as often as needed.

CAUTION: For animal use only. Keep out of the reach of children.

STORAGE AND DISPOSAL: Store in a cool, dry place inaccessible to children and pets. Do not reuse empty container. Wrap in newspaper and discard in trash.
