**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

**FIRST AID**

**If In Eyes:**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**If Swallowed:**
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.

**NOTE TO PHYSICIAN**

- Treat the patient symptomatically.
- Report to the manufacturer:
  - If anaphylaxis occurs
  - If ingestion of the product occurs
  - If this product is ingested while pregnant or nursing
- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS**

**WARNING:**
- Causes substantal but temporary eye injury. Harmful if swallowed. Do not get in eyes or on clothing. Wash hands thoroughly with soap and warm water after handling and before eating, drinking, chewing gum, using tobacco or using the tablet.

**HAZARDS TO DOMESTIC ANIMALS**

**For external use only.**
- Do not apply to cats under 8 weeks of age or weighing less than 5 lbs. Do not get this product in cats’ eyes or mouth.
- As with any product, consult your veterinarian before using this product on debilitated, aged, pregnant or nursing cats. Individual sensitivities may occur after using ANY pesticide product for cats. If signs persist, or become more severe, consult a veterinarian immediately.
- If your cat is on medication, consult your veterinarian before using this or any other product.

**SIDE EFFECTS:**
- Monitor your cat after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gut distress or vomiting or diarrhea have also been reported. If these or other side effects (such as lethargy) occur, consult your veterinarian or call 1-855-844-4375.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. To prevent harm to you and your cat, read the entire label and package insert before each use. Follow all directions and precautions statements carefully.

**USE RESTRICTIONS:**
- Use only on cats 8 weeks and older and weighing 5-9 lbs.
- Do not use on other animals.
- Do not allow your cat to ingest this product.
- Do not exceed labeled dosage amount for cats.
- Do not apply more than one dose per treatment, even for larger cats.
- Do not use less than the labeled dosage amount for cats.
- Do not apply more than one dose every 24 hours after the application.
- Do not allow cats to groom each other until product has dried.

**HOW TO OPEN**

Remove inner tray from carton. Firmly grasp one tube and pull away from tray. Hold tube firmly in one hand. With the other hand, push down firmly on the cap and turn counter clockwise (to the left). Continue twisting cap until it comes off the tube. Turn the cap around and place opposite end of cap back on tube. Twist cap to break seal. Remove cap from tube.

**PRODUCT INFORMATION**

The successive feeding activity of fleas on cats frequently elicits a hypersensitivity skin disorder known as flea allergy dermatitis (FAD) or flea bite hypersensitivity. Treatment of cats with Provecta® II for Cats kills fleas and may reduce the incidence of this condition.

Provecta® II for Cats kills existing fleas on cats within 12 hours. Reinfesting fleas are killed within 2 hours with protection against further flea infestation lasting for up to four (4) weeks. Pre-existing pupae in the environment may continue to emerge for six (6) weeks or longer depending upon the climatic conditions.

Provecta® II for Cats kills adult fleas quickly, within 12 hours, and inhibits the development of immature flea life stages and prevents them from reaching the biting adult stage.

Provecta® II for Cats is waterproof after 24 hours and remains effective following a shampoo treatment, or other exposure to rain or sunlight.

Apply monthly treatments for optimal control and prevention of fleas.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage: Store in a cool, dry place inaccessible to children and pets.

Pesticide Disposal and Container Handling: Nonrefillable container. If empty, do not reuse or refill this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**LIMITED WARRANTY AND LIMITATION OF DAMAGES**

**IMPORTANT: READ BEFORE USE.**

Have the entire Directions for Use, Conditions of Warranties and Limitations of Liability before using this product. If these terms and conditions are not acceptable, return the unopened product container or box. By using this product, user or buyer accepts the following Disclaimer of Warranties and Limitations of Liability.

**CONDITIONS:**

- The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness, injury, and other unintended consequences may result because of such factors as manner of use or application (including misuse), the presence of other materials, weather conditions, and other unknown factors, all of which are beyond the control of CAP W Supply, Inc. All such risks shall be assumed by the user or buyer.

**DISCLAIMER OF WARRANTIES:**

- To the extent consistent with applicable law, CAP W Supply, Inc. makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond this statement on this label.

**LIMITATIONS OF LIABILITY:**

- To the extent consistent with applicable law, neither CAP W Supply, Inc., the manufacturer, nor the Seller shall be liable for any indirect, special, incidental or consequential damages resulting from the use, handling, application, storage, or disposal of this product. To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use, handling, application, or storage of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid.
