NST PATROL™

For fast-acting and long-lasting control of green and black algae

Use with the poolife® Exclusive Pool Care Collection NST® Prime System

ACTIVE INGREDIENTS:
- n-Alkyl (60% C14, 30% C16, 5% C12, and 5% C18) methyl benzyl ammonium chloride...49.8%
- n-Dialkyl (60% C14, 30% C16, 5% C12, and 5% C18) methyl benzyl ammonium chloride...0.2%

APPLICATION:
- Apply the product directly into the water with the filter pump running. Swimmers or bathers must wait 15 minutes before re-entry.
- For best results follow a weekly program with our poolife® Exclusive Pool Care Collection NST® Prime System.

MAINTENANCE DOSE: Add 1/4 fluid ounce of poolife® Exclusive Pool Care Collection NST® Prime System per 10,000 gallons of pool water.
- For persistent algae or slime producing microorganisms, add 1/2 fluid ounce of poolife® Exclusive Pool Care Collection NST® Prime System per 10,000 gallons of pool water.
- For high temperatures prevail or pool has unusually heavy use, add maintenance dose more frequently.
- For prolonged rainfall, if pool has visible algae growth, use the recommended maintenance dose.

WINTERIZATION:
- If swimming season is over, add initial dose prior to closing pool. This step helps provide a measure of control of algae growth during the winter months. This treatment will also help the servicing of the pool before it is returned to use in the following season.

STORAGE AND DISPOSAL:
- Store in original container in an area inaccessible to children and persons unfamiliar with this product. Keep this product in a tightly closed container when not in use.

DIRECTIONS FOR USE:
- Initial dose is used when filling pool or upon conversion to pool water.
- Maintenance dose should be added after a heavy or prolonged rainfall. If make-up water is added at the rate of more than 10% per week of pool capacity, add 1/2 fluid ounce of poolife® Exclusive Pool Care Collection NST® Prime System per 10,000 gallons of fresh make-up water added.

NOTE TO PHYSICIAN:
- Probable mucosal damage may result from contact with eyes.

CAUTION:
- Keep out of reach of children.
