To open child-resistant cap: Squeeze sides where symbols indicate and twist counterclockwise one quarter turn. Cap does not come off. To close, turn clockwise until tightly closed.

To clean, sanitize† and disinfect toilet bowl: Flush toilet. Apply 6 oz. of this product under and around rim to coat the inside of bowl.

Scrub entire bowl with a stiff brush and allow to sit for 5 min for sanitizing or 10 min for disinfecting. Do not allow pets or children to access the toilet during this time. Flush toilet.

Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**

**DANGER:** CORROSIVE. Causes irreversible eye damage. Causes skin irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Do not get in eyes, on skin or on clothing. For prolonged use, wear gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Use only in well-ventilated areas.

**FIRST AID:**
- IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.
- IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. IN ALL CASES, call a poison control center or doctor for treatment advice.

Clorox Information Line: 1-800-227-1860.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix with other household chemicals such as other toilet bowl cleaners, rust removers, acids or products containing ammonia. To do so will release hazardous, irritating gases. Avoid contact with clothes, fabric, carpet, wood, painted and paper surfaces.

**STORAGE AND DISPOSAL:** Store in a location inaccessible to children. Tightly close cap between uses.

Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available, or place in trash. (Note that prolonged contact with metal, old porcelain or worn plastic laminate may cause discoloration. In addition, do not use with ammonia, as hazardous gases may be released.)
