**Kills 99.9% of Germs**

Coats the Bowl to Dissolve Stains

Destroys Tough Stains

Ocean Mist

EPA Reg. No. 5813-89

Clorox Toilet Bowl Cleaner Bleach
[Ocean Mist] [24oz]
To open child-resistant cap: Squeeze sides where symbols indicate and twist counterclockwise one quarter turn. Cap does not come off. To close, turn clockwise until tightly closed.

To clean, sanitize† and disinfect toilet bowl: Flush toilet. Apply 6 oz. of this product under and around rim to coat the inside of bowl. Scrub entire bowl with a stiff brush and allow to sit for 5 min for sanitizing or 10 min for disinfecting. Do not allow pets or children to access the toilet during this time. Flush toilet.

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

(Please note that prolonged contact with metal, old porcelain or worn plastic laminate may cause discoloration. In addition, do not use with ammonia, as hazardous gases may be released.)

The Only Toilet Bowl Cleaner with Clorox® Bleach

Cling and Rinses Away for a Sparkling Clean

STORAGE AND DISPOSAL: Store in a location inaccessible to children. Tightly close cap between uses. Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available, or place in trash.

Keeps Germs: Staphylococcus aureus (Staph), Salmonella enterica (Salmonella), Influenza A2 virus, Rotavirus, Candida albicans

†Staphylococcus aureus, Klebsiella pneumoniae

Patents: www.thecloroxcompany.com/patents/

EPA Reg. No. 5813-89. EPA Est. No. 5813-GA-001(A4); 58455-IN-001(C6), IN-002 (01). Beginning of batch code indicates Est. No.

DANGER: CORROSIVE. Causes irreversible eye damage. Causes skin irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Do not get in eyes, on skin or on clothing. For prolonged use, wear gloves. Flush thoroughly, with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse. Do not use in well-ventilated areas. FIRST AID IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. If SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IN ALL CASES, call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.
