One-step Cleaning, Disinfecting and Deodorizing on Hard, Nonporous Surfaces

For use in kitchens, bathrooms, floors and all around the house.

KILLS COLD & FLU VIRUS*
KILLS 99.9% OF HUMAN PATHOGENS

**Effective against viruses** and bacteria**
and bathroom bacteria
Disinfects household kitchen and bathroom bacteria
Disinfects viruses* and bacteria**
in 3 minutes

STORAGE:

- Do not store near heat or open flame.
- Do not store near domestic animals.

DIRECTIONS FOR USE:

1. Completely remove inner seal.
2. Open package lid.
3. Unfold a clean wipe and thoroughly apply it to surfaces to be cleaned and disinfected.
4. Let air dry.
5. Use additional wipe(s) if needed to maintain continuous 3 minute wet contact time. A thorough rinse with potable water is required for surfaces in direct contact with food.

CAUTION:

- Causes irritant eye irritation. Avoid contact with eyes, clothing, skin, hair and skin's own temporary contact with eyes and water after handling and before eating, drinking, chewing gum, using tobacco, or using toilet.

FIRST AID IN CASE OF CONTACT WITH EYES: Rinse eyes thoroughly with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing for 15 more minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.

For Use on

- Hard Surfaces Only
- Do not use on natural marble, woods, unpainted wood, linoleum, or colored grout.

PRECAUTIONARY STATEMENTS:

- Hazard to humans and domestic animals.
- CAUTION:

  - Causes irritant eye irritation. Avoid contact with eyes, clothing, skin's own temporary contact with eyes and water after handling and before eating, drinking, chewing gum, using tobacco, or using toilet.
