ProPower

**DISINFECTANT DEODORIZER**

Fresh Scent, Eliminates Odors, Germicidal-Fungicidal, Tuberculocidal, Kills Methicillin-Resistant Staphylococcus aureus (MRSA), Prevents Mold & Mildew, Pseudomonacidal, Kills 99.9% of Germs**

**Staphylococcus aureus** (Staph), and Enterobacter aerogenes

*Active Ingredients:

- n-Alkyl (86% C12, 30% C14, 5% C16, 5% C18) dimethyl benzyl ammonium chloride .......................... 0.05%
- n-Alkyl (88% C12, 32% C14) dimethyl ethylbenzyl ammonium chloride ........................................ 0.05%
- Ethyl Alcohol ........................................... 37.00%
- Other Ingredients* .................................... 62.90%
- Total .................................................. 100.00%

*Contains Sodium Nitrite.

EPA Reg. No. 67603-4-75686
EPA Est. No. 10900-OH-1 or 33915-MI-1
Refer to bottom of container for production facility

**Warning**

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

**Precautions**

- **Keep Out Of Reach Of Children**

- **WARNING**

  See back panel for additional Precautionary Statements and First Aid.

**Kills HIV on pre-cleaned environmental surfaces and objects previously soiled with blood or body fluids in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces or objects with blood or body fluids, and in which the surfaces and objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of human immunodeficiency virus type 1 (HIV-1) (associated with AIDS).

**Special instructions for cleaning and decontamination against HIV on surfaces and objects soiled with blood or body fluids:**

**Personal Protection:** Specific barrier protection items to be used when handling items soiled with blood or body fluids are disposable latex gloves, gowns, masks and eye coverings.

**Cleaning Procedure:**

- Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of disinfectant.
- **Disposal Of Infectious Materials:** Blood and other body fluids must be autoclaved and disposed of according to federal, state and local regulations for infectious waste disposal.

**Contact Time:**

- Leave surfaces wet for 10 minutes. This contact time will not control other common types of viruses and bacteria.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. 

**Pesticide Storage:** Store upright in a cool, dry place away from heat or open flame. 

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. 

**Container Disposal:** Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. This container may be recycled in the few but growing number of communities where (steel) aerosol cans are recyclable. Before offering for recycling, empty the can by using the product according to the label. Do not Puncture! If recycling is not available, discard container in trash. If partly filled: Call your local solid waste agency for disposal instructions.

**First Aid**

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency medical information call 1.800.222.1222.

**PRECAUTIONARY STATEMENTS**

**Hazards To Humans & Domestic Animals**

**WARNING:** Causes substantial, but temporary, eye injury. Do not get in eyes or on clothing. Wear protective eyewear. Thoroughly wash hands after using and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

**Physical Or Chemical Hazards**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130º F may cause bursting. Do not use on polished wood, painted surfaces, leather, rayon fabrics, acrylic plastics or furniture.
